

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. The ASC Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

Attributes

- Name: [BROWNELLS AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC ODG](#)
- Manufacturer: [BROWNELLS](#)

AR15 ACS Stock Assembly Safety Instructions

Introduction

Thank you for purchasing the AR15 ACS Stock Assembly. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the stock assembly.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock assembly.
- Keep the stock assembly out of reach of children and unauthorized users.
- Inspect the stock assembly for any damage or wear before each use.
- Do not use the stock assembly if it is damaged or malfunctioning.
- Always follow local laws and regulations regarding firearm accessories.
- Store the stock assembly in a safe and secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the stock is securely attached to the buffer tube before use.
- Avoid placing fingers near the release lever when adjusting the stock length.
- Be cautious of sharp edges during installation and adjustment.
- Use the stock assembly only with compatible AR15 platforms.
- Do not exceed the manufacturer's recommended weight limit for attached accessories.
- Regularly check the dual locking system for proper function and security.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the buffer tube by unscrewing the castle nut.
- Slide the AR15 ACS Stock Assembly onto the buffer tube.
- Securely fasten the castle nut to hold the stock in place.
- Attach the detachable rubber buttpad to the stock if not already attached.

2. Adjusting Length of Pull:

- Locate the release lever on the left side of the stock.
- Press the release lever while sliding the stock to the desired length.
- Release the lever to lock the stock in place.
- Ensure the stock is securely locked before using the firearm.

3. Using Storage Compartments:

- Open the positive locking trapdoor on the right side of the stock to access the storage compartment.
- Store batteries, cleaning supplies, or other small items securely in the compartment.
- Ensure the trapdoor is closed and locked after use.

Disposal Instructions

- Dispose of the stock assembly in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the stock assembly in regular household waste.

- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 ACS Stock Assembly, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 ACS Stock Assembly. Always prioritize safety and compliance with applicable laws.
