

19 LS BARREL FOR GEN3 GLOCK® 19 9MM - BROWNELLS 19 LS BARREL FOR GEN3 GLOCK® 19 9MM

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

The Brownells Extended Barrel for Glock® 19 is designed to work hand-in-glove with our extended slides for the popular compact 9mm pistol. Due to changes in the slide-to-frame geometry caused by mating the long slide on the compact Glock 19 frame, a factory Glock 17 slide will not work with our slide. This extended barrel is correctly configured to ensure that your new "long slide" G19 functions perfectly. This extended barrel and the slide work together to give you a longer sight radius for more accurate shooting and better recoil control - and a pistol that's more comfortable to shoot all around. Our Extended Barrel for Glock 19® is available with a Plain muzzle or Threaded (1/2"-28 tpi) to accept a compensator or silencer. Easy drop-in installation 9mm Luger chambered (of course!) Corrosion-resistant 416R stainless steel Durable black Nitride finish for excellent resistance to surface wear 1-10" right-hand 6-groove rifling Threaded model has 1/2"-28 muzzle threads Constructed of high-grade 416R stainless steel alloy, this extended barrel is precision machined to ensure an exact fit to drop right into your pistol's extended slide and preserve the superior reliability and performance you expect from your Glock® 19.

Safety Instruction Guide for the 19 LS Barrel for Gen3 Glock® 19 9mm

Introduction

Thank you for choosing the Brownells 19 LS Barrel for Gen3 Glock® 19 9mm. This guide is designed to ensure your safety and the proper use of the product. Please read this document carefully to understand the safety precautions and installation instructions.

General Safety Guidelines

To ensure safe use of the 19 LS Barrel, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep the barrel and firearm out of reach of children and unauthorized users.
- Use only compatible models as specified in this manual.
- Regularly inspect the barrel for any signs of wear or damage.
- Store your firearm and barrel in a secure location.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

When using the 19 LS Barrel, please take the following precautions:

- Ensure that the firearm is unloaded before installation.
- Do not attempt to modify the barrel or firearm in any way not specified in this guide.
- Use only ammunition that is compatible with the Glock® 19 and the 9mm Luger cartridge.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection while shooting.
- If you experience any malfunctions or unusual behavior, cease use immediately and consult a professional.

Instructions for Installation and Usage

To properly install and use the 19 LS Barrel, follow these steps:

1. Preparation

- Ensure your Glock® 19 is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and a soft mallet if needed.

2. Installation

- Remove the slide from the frame by following the manufacturer's guidelines.
- Remove the factory barrel from the slide.
- Insert the Brownells 19 LS Barrel into the slide, ensuring it is seated properly.
- Reassemble the slide and frame according to Glock® specifications.
- Ensure that the barrel is securely in place and that the slide operates smoothly.

3. Testing

- After installation, conduct a function check to ensure everything is working correctly.
- Use dummy rounds to verify the cycling of the action before live firing.
- If any issues are detected, do not proceed with live ammunition until resolved.

4. Usage

- When using the firearm with the new barrel, ensure you are using the appropriate ammunition.
- Maintain proper shooting stance and grip to ensure safety and accuracy.
- Regularly clean the barrel to maintain performance and safety.

Disposal Instructions

When the barrel reaches the end of its life cycle or if you decide to dispose of it, please follow these guidelines:

- Do not dispose of the barrel in regular household waste.
- Contact your local waste management facility for proper disposal methods.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or support regarding the 19 LS Barrel for Gen3 Glock® 19 9mm, please refer to the manufacturer's contact information available on their official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Brownells 19 LS Barrel for Gen3 Glock® 19 9mm. Always prioritize safety and be mindful of best practices when handling firearms.
