

# 19 LS BARREL FOR GEN3 GLOCK® 19 9MM - BROWNELLS 19 LS BARREL FOR GEN3 GLOCK® 19 9MM THREADED

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

The Brownells Extended Barrel for Glock® 19 is designed to work hand-in-glove with our extended slides for the popular compact 9mm pistol. Due to changes in the slide-to-frame geometry caused by mating the long slide on the compact Glock 19 frame, a factory Glock 17 slide will not work with our slide. This extended barrel is correctly configured to ensure that your new "long slide" G19 functions perfectly. This extended barrel and the slide work together to give you a longer sight radius for more accurate shooting and better recoil control - and a pistol that's more comfortable to shoot all around. Our Extended Barrel for Glock 19® is available with a Plain muzzle or Threaded (1/2"-28 tpi) to accept a compensator or silencer. Easy drop-in installation 9mm Luger chambered (of course!) Corrosion-resistant 416R stainless steel Durable black Nitride finish for excellent resistance to surface wear 1-10" right-hand 6-groove rifling Threaded model has 1/2"-28 muzzle threads Constructed of high-grade 416R stainless steel alloy, this extended barrel is precision machined to ensure an exact fit to drop right into your pistol's extended slide and preserve the superior reliability and performance you expect from your Glock® 19.

## Attributes

# Safety Instruction Guide for the 19 LS Barrel for Gen3 Glock® 19 9mm

## Introduction

Thank you for choosing the Brownells Extended Barrel for your Glock® 19. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible Glock® models, specifically the Gen3 Glock® 19.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Inspect the barrel before each use for any signs of damage or wear.
- Store the barrel in a secure location away from children and unauthorized users.
- Use appropriate safety gear, including eye and ear protection, when shooting.
- Report any unsafe products or incidents to the authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use ammunition that is specified for the Glock® 19, specifically 9mm Luger.
- Ensure the firearm is unloaded before installing or removing the barrel.
- Do not attempt to modify the barrel or any components; doing so may compromise safety and performance.
- When using the threaded model, ensure that any compensator or silencer is properly installed and secured.
- Avoid using the barrel in adverse weather conditions that may affect performance.
- Be aware of the potential for increased noise when using a threaded barrel without a suppressor.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the factory barrel from the Glock® 19 by disassembling the slide according to the manufacturer's instructions.
- Insert the Brownells Extended Barrel into the slide, ensuring it fits snugly and securely.
- Reassemble the slide and ensure all components are properly aligned.
- Test the action to confirm that it cycles smoothly.

### 2. Usage:

- Always follow proper shooting practices and firearm safety rules.
- Regularly clean the barrel to maintain performance and prevent corrosion.
- Check the fit and function of the barrel before each shooting session.
- If any issues arise, cease use immediately and consult a qualified gunsmith or contact support for assistance.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm accessories.
- If the barrel is damaged or no longer usable, do not attempt to repair it; instead, follow proper disposal

methods to ensure safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the Brownells Extended Barrel for Gen3 Glock® 19, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
