A Drop-In .40 S&W to 9mm Conversion Barrel for Your G23

The Brownells Match-Grade Conversion Barrel enables you to switch your .40 S&W chambered Glock® 23 to shoot 9mm Luger (9x19mm) ammo AND also improve its accuracy potential at the same time. It fits Gen1 through Gen4 variants of the Glock® 23, and will be a drop-in install on most guns. Each conversion barrel is machined from 416R stainless steel alloy to precise dimensions to ensure a tight lockup and long service life. Button-rifled with 1-10" right-hand, 6-groove rifling that is compatible with inexpensive "practice" ammo that has non-jacketed bullets. The hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Available with either a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock model it fits. Fits Glock® 23 Gen1 thru Gen4 G19-compatible 9mm magazine required to complete the conversion (not included) Extra-strong 416R stainless steel alloy Matte black Nitride anti-corrosion finish Button-rifled 1-10" twist Threaded model has 1/2"-28 tpi threads If you have an old Glock® 23 with a shot-out factory barrel, give it a new lease on life. Swap in a Brownells match-grade conversion barrel and enjoy the gentler recoil AND lower cost of 9mm ammo. Remember: to complete the conversion, you will need to add a Glock 19 compatible 9mm magazine.

Safety Instruction Guide for Brownells MatchGrade Conversion Barrels for Glock® 23

Introduction

Thank you for choosing the Brownells MatchGrade Conversion Barrel for your Glock® 23. This product allows you to convert your .40 S&W chambered Glock® 23 to shoot 9mm Luger ammo, enhancing accuracy and performance. It is crucial to follow the safety guidelines outlined in this document to ensure safe and effective use of your conversion barrel.

General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the conversion barrel and all firearm components securely and out of reach of children.
- Regularly inspect the conversion barrel for any signs of wear or damage.
- Use only compatible 9mm Luger ammunition as specified.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the conversion barrel is properly installed before use.
- Do not use the conversion barrel with any ammunition other than 9mm Luger.
- Avoid using reloaded or damaged ammunition that may cause malfunctions.
- If you experience any unusual sounds or malfunctions while using the conversion barrel, stop using it immediately and have it inspected by a qualified gunsmith.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Keep the firearm pointed in a safe direction at all times.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your Glock® 23 is unloaded.
- Gather necessary tools, if any, for installation.

2. Remove the Factory Barrel:

- Disassemble your Glock® 23 according to the manufacturer's instructions.
- Remove the factory barrel from the slide.

3. Install the Conversion Barrel:

- Insert the Brownells MatchGrade Conversion Barrel into the slide.
- Ensure it is seated properly and securely.

4. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble your Glock® 23.
- Ensure all parts are correctly aligned and functioning.

5. Check Functionality:

- Before firing, manually cycle the action to ensure smooth operation.
- Inspect the installation for any visible issues.

Usage

- Load your Glock® 23 with a compatible 9mm magazine (not included).
- Ensure you are in a safe shooting environment.
- Follow standard shooting practices, including proper stance and grip.
- After shooting, clean and maintain the conversion barrel as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the conversion barrel in accordance with local regulations.
- Do not throw away in regular household waste.
- If the conversion barrel is damaged or no longer usable, contact a local waste disposal facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Brownells MatchGrade Conversion Barrel for Glock® 23, please contact the manufacturer or a qualified firearms dealer for assistance.

Note: Always refer to the manufacturer's manual for specific instructions and safety information related to your firearm and its components.
