## A Drop-In .40 S&W to 9mm Conversion Barrel for Your G23

The Brownells Match-Grade Conversion Barrel enables you to switch your .40 S&W chambered Glock® 23 to shoot 9mm Luger (9x19mm) ammo AND also improve its accuracy potential at the same time. It fits Gen1 through Gen4 variants of the Glock® 23, and will be a drop-in install on most guns. Each conversion barrel is machined from 416R stainless steel alloy to precise dimensions to ensure a tight lockup and long service life. Button-rifled with 1-10" right-hand, 6-groove rifling that is compatible with inexpensive "practice" ammo that has non-jacketed bullets. The hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Available with either a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock model it fits. Fits Glock® 23 Gen1 thru Gen4 G19-compatible 9mm magazine required to complete the conversion (not included) Extra-strong 416R stainless steel alloy Matte black Nitride anti-corrosion finish Button-rifled 1-10" twist Threaded model has 1/2"-28 tpi threads If you have an old Glock® 23 with a shot-out factory barrel, give it a new lease on life. Swap in a Brownells match-grade conversion barrel and enjoy the gentler recoil AND lower cost of 9mm ammo. Remember: to complete the conversion, you will need to add a Glock 19 compatible 9mm magazine.

## Attributes

- Name: [BROWNELLS G23 BARREL THREADED 1/2X28 GEN 1-4 9MM BLACK NITRIDE](#)

# Consumer Safety Instruction Guide for Brownells MatchGrade Conversion Barrels for Glock® 23

## Introduction

Thank you for choosing the Brownells MatchGrade Conversion Barrel for your Glock® 23. This guide provides essential safety information to ensure the safe and effective use of your new conversion barrel. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the conversion barrel.
- Follow all local laws and regulations related to firearms and ammunition.
- Use only compatible 9mm Luger (9x19mm) ammunition with your conversion barrel.
- Regularly inspect the conversion barrel for signs of wear or damage.
- Store the conversion barrel and any firearms in a secure location to prevent unauthorized access.
- Keep the conversion barrel away from children and vulnerable individuals.

## Specific Safety Precautions for Use

- Ensure your Glock® 23 is a Gen1 through Gen4 model before installation.
- Only use Glock 19 compatible 9mm magazines to complete the conversion.
- Do not attempt to modify the conversion barrel or firearm in any way that is not recommended by the manufacturer.
- Be aware of the increased accuracy potential and adjust your shooting practices accordingly.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from your Glock® 23 by following the manufacturer's instructions.
- Insert the Brownells MatchGrade Conversion Barrel into the slide of your Glock® 23 until it is fully seated.
- Reassemble the firearm according to the manufacturer's instructions.
- Ensure the conversion barrel is securely locked in place.

### 2. Usage

- Load your Glock® 23 with a compatible 9mm magazine.
- Ensure the firearm is pointed in a safe direction before firing.
- Fire the firearm only in a controlled environment, such as a shooting range.
- After use, clean the conversion barrel according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any damaged or worn components properly in accordance with local regulations.
- Do not dispose of the conversion barrel in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact the manufacturer's customer service or visit their official website.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your shooting experience with the Brownells MatchGrade Conversion Barrel for your Glock® 23.
