

AR-15 9MM BOLT ASSEMBLY FOR GLOCK - BROWNELLS BRN AR-15 GLOCK PATTERN 9MM LUGER BOLT ASSEMBLY, NITRIDE

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

This Brownells AR-15 9mm Bolt Assembly is a no nonsense, go-to option for those building up a 9mm AR. As this platform becomes increasingly popular, we wanted to make sure we offered a highly reliable option at a good price, and this 9mm Bolt Assembly is just that part. This designed for lower receivers that feed from Glock® pattern magazines. The bolt, gas key and carrier weight plug are all made from 4140 steel, while the extractor is made from 4340. It is finished with a durable Nitride finish. And the carrier weight plug is easily removed for use with a Law Tactical Folding Adapter. Due to the tolerances of this 9mm Bolt Assembly it is not compatible with the Mean Arms ENDO Mag conversion kit.

Safety Instruction Guide for AR15 9MM Bolt Assembly for Glock

Introduction

Thank you for choosing the Brownells AR15 9MM Bolt Assembly. This product is designed to enhance your 9mm AR build while ensuring safe operation. Please read this safety instruction guide carefully to understand the proper use, installation, and disposal of this product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before use.
- Always treat every firearm as if it is loaded.
- Store the bolt assembly and all firearm components in a secure location, out of reach of children and unauthorized users.
- Use safety gear, such as eye protection, when handling or working with firearm components.
- Do not use this product if you are under the influence of drugs or alcohol.
- Regularly inspect all firearm components for wear and damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms.

Specific Safety Precautions for Use

- Only use this bolt assembly with lower receivers that are compatible with Glock® pattern magazines.
- This assembly is designed for use with 9mm Luger cartridges only. Do not attempt to use it with other calibers.
- Ensure that the bolt assembly is properly installed before using the firearm.
- Be aware that this bolt assembly is not compatible with the Mean Arms ENDO Mag conversion kit.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and the safety is engaged.
2. Remove the existing bolt assembly from your firearm.
3. Install the Brownells AR15 9MM Bolt Assembly by following these steps:
 - Align the bolt with the carrier and slide it into the upper receiver.
 - Ensure that the gas key is properly seated.
 - Install the carrier weight plug, ensuring it is secure.
4. Doublecheck that all components are properly installed and secured.

Usage

- Before firing, verify that the firearm is clean and functioning correctly.
- Load the firearm only with 9mm Luger cartridges.
- Always keep the muzzle pointed in a safe direction when handling the firearm.
- Engage the safety when not actively shooting.
- After use, clean and maintain the bolt assembly as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding hazardous materials.

- If the bolt assembly is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the Brownells AR15 9MM Bolt Assembly, please consult a qualified gunsmith or your local firearms dealer.
