

DELTA POINT CUT SLIDE FOR GLOCK® 17 GEN 3 - BROWNELLS DPP SLIDE FOR GEN 3 GLOCK® 17 STAINLESS NITRIDE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Our Leupold Delta Point Pro Cut Slide for Glock® 17 Gen3 pistols features distinctive, wraparound front cocking serrations that aid in manipulating the slide to check the chamber or clear a jam. (OK, we'll admit it: the serrations just look cool, too.) It also comes with a pre-cut slot for easy, secure mounting of a Leupold Delta Point Pro or compatible footprint red dot sight. All DPP Slides also have standard Glock® factory front and rear sight dovetails for "iron" backup sights. To get proper co-witnessing with the DPP, you will need to also install suppressor-height iron sights. You can also get your Brownells DPP Slide for Glock® 17 Gen3 with a "window" cutout on top that enhances airflow to keep the barrel cool - ideal for hard-working action competition pistols. Plus, if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) the window lets you show it off a bit! Each DPP Slide for Glock® starts life as a billet of 17-4 stainless steel that is machined to Glock® factory specifications inside, so it'll fit factory frames and accept factory or aftermarket barrels and Gen3 internal parts. Slides are heat-treated to Rc 41-44 on the Rockwell C scale for added surface hardness and wear resistance. Fits Gen3 Glock® 17 pistols & clones Machined from corrosion-resistant 17-4 stainless steel billet Leupold Delta Point Pro footprint Plus factory front/rear sight cuts Available with distinctive top Window cutout or traditional Solid top A Brownells DPP Slide is the ideal upgrade for your factory Glock® 17 Gen3 pistol. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335

Safety Instruction Guide for DELTA POINT CUT SLIDE FOR GLOCK® 17 GEN 3

Introduction

Thank you for choosing the DELTA POINT CUT SLIDE FOR GLOCK® 17 GEN 3. This product is designed to enhance the performance of your Glock® 17 Gen3 pistol while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain the slide properly.

General Safety Guidelines

- Ensure that you follow all safety guidelines when handling firearms and related accessories.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Use the slide only with compatible Glock® 17 Gen3 pistols and parts.

Specific Safety Precautions for Use

- Do not attempt to install the slide on any firearm other than the Glock® 17 Gen3.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use appropriate protective gear, such as safety glasses, when working on firearms.
- Be aware of your surroundings and ensure no one is in the vicinity when handling firearms.
- Do not use the slide if it shows any signs of damage or wear.
- Check that all components are securely attached before using the firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and all ammunition is removed.
- Gather necessary tools, including the recommended channel liner tool (#777100017).

2. Installation Steps

- Remove the existing slide from the Glock® 17 Gen3 by following the manufacturer's instructions.
- Install the channel liner into the new slide using the appropriate tool.
- Align the precut slot of the slide with the frame of the Glock® 17 Gen3.
- Securely attach the slide to the frame, ensuring it is fitted to factory specifications.
- Install suppressorheight iron sights if cowitnessing with the Delta Point Pro is desired.

3. Usage

- Once installed, perform a function check to ensure the slide operates smoothly.
- Regularly inspect the slide and firearm for proper function and any signs of wear.
- If using a red dot sight, ensure it is securely mounted and calibrated for accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Contact your local waste management authority for guidance on the disposal of metal components.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the DELTA POINT CUT SLIDE FOR GLOCK® 17 GEN 3, please refer to the contact information provided on the packaging or visit the manufacturer's website for further assistance.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with your DELTA POINT CUT SLIDE FOR GLOCK® 17 GEN 3. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for choosing our product, and we wish you safe and successful shooting experiences.
