

IRON SIGHT SLIDE FOR GLOCK® 17 GEN 3 - BROWNELLS GLK 17 G3 SLIDE & ORG FRONT/BLK SQUARE REAR TRITIUM SIGHTS

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The Foundation for a Superb D.I.Y. Pistol - Ergonomically Enhanced for Excellent Control

Our Iron Sight Slide for Glock 17® Gen3 enables you to build a custom Glock®-style pistol - or rebuild an old one - with a slide that sports distinctive customized cocking serrations. The unique front serrations aid in manipulating the slide under stress, especially for quick chamber checks AND for clearing the occasional jam. Both the front and rear serrations are cut to the same depth as the Glock® factory slide serrations to ensure no loss in overall slide rigidity. The top edges and the front around the muzzle area are chamfered to reduce the risk of snagging on clothing and to make holstering the pistol easier. Like all Brownells slides, the Iron Sight model for Gen3 Glock® 17 is precision machined from solid 17-4 stainless steel billet to factory specifications inside so it is compatible with any factory or aftermarket Gen3 internal components. Outside, there's a Glock® factory rear sight dovetail and front sight tenon cut ready for any factory or aftermarket sights you choose. This is the perfect companion "top-half" for a custom pistol built on a Polymer80 80% frame. Accepts Gen3 Glock® 17 internal parts Sturdy machined 17-4 stainless steel Tough matte Black Nitride finish Factory cuts for iron sights Channel liner not included; please order separately (see note below) Window model available You can get your Brownells Iron Sight Slide for Gen3 Glock® 17 with a solid top and distinctive wraparound front cocking serrations - swipe your paw along the front of the slide and you can't avoid racking it. The Iron Sight slide is also available with a window cutout on top between the front side serrations. The window aids in heat dissipation to keep the barrel cool during extended fire, AND if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) it'll help your gun stand out from the matte black sameness on the firing line! Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017.

Attributes

- Name: [BROWNELLS GLK 17 G3 SLIDE & ORG FRONT/BLK SQUARE REAR TRITIUM SIGHTS](#)

Safety Instruction Guide for Iron Sight Slide for Glock® 17 Gen 3

Introduction

Thank you for choosing the Iron Sight Slide for Glock® 17 Gen 3. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Store the slide and your firearm securely, away from children and unauthorized users.
- Regularly inspect your firearm and components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use only compatible parts and accessories with your Glock® 17 Gen 3 to avoid malfunctions.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Using incompatible parts can compromise safety and performance.
 - Failure to properly secure the slide may result in detachment during use.
- **Instructions for Avoiding Hazards:**
 - Ensure all installation steps are followed as outlined in this guide.
 - Use only parts specifically designed for Glock® 17 Gen 3.
 - Always verify that the slide is properly attached before using the firearm.
- **AgeSpecific Warnings:**
 - This product is intended for adult use only. Keep out of reach of children.
 - Ensure that all users are trained in safe firearm handling practices.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools, including a channel liner installation tool (recommended #777100017).

2. Remove the Existing Slide:

- Follow the manufacturer's instructions to safely disassemble your Glock® 17 Gen 3.
- Remove the factory slide from the frame.

3. Install the Iron Sight Slide:

- Align the Iron Sight Slide with the frame.
- Ensure that the slide is seated properly on the frame.
- Install the channel liner as per the instructions provided with the liner.

4. Check for Proper Function:

- After installation, perform a function check to ensure that the slide operates smoothly.
- Verify that all components are securely attached and functioning correctly.

Usage Guidelines

- Always ensure that your firearm is pointed in a safe direction when handling.
- Use the Iron Sight Slide for intended purposes only.
- Regularly clean and maintain your slide and firearm to ensure longevity and performance.
- Avoid using your firearm in adverse weather conditions without appropriate protection for the components.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the slide or any components become damaged beyond repair, follow local guidelines for the disposal of metal and firearm components.
- Do not discard the slide in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Iron Sight Slide for Glock® 17 Gen 3, please refer to the manufacturer's website or customer service resources. Ensure that you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the Iron Sight Slide for Glock® 17 Gen 3.
