Safety Instruction Guide for the M16 5.56 Bolt Carrier Group

Introduction

Thank you for choosing the Brownells M16 5.56 Complete Bolt Carrier Group. This product is designed to provide reliable performance in your AR15 or M16 platform. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and the specific components of the Bolt Carrier Group.
- Store this product and any related components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage before use.
- Always wear appropriate eye and ear protection when handling or firing firearms.
- Follow all local, state, and national laws regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or failure of the firearm.
 - Failure to maintain the Bolt Carrier Group can result in decreased performance and potential safety hazards.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installing or removing the Bolt Carrier Group.
 - Do not attempt to modify or alter the Bolt Carrier Group in any way.
 - Always use the appropriate ammunition as specified for your firearm (5.56 mm NATO).
 - Be aware of your surroundings when firing your firearm to avoid accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove any existing Bolt Carrier Group from the upper receiver.
- Insert the new Bolt Carrier Group into the upper receiver, ensuring it is properly aligned.
- Securely attach the gas key and ensure that it is torqued and staked as per manufacturer specifications.
- Check that the firing pin, cam pin, and retaining pin are correctly installed.
- Perform a function check to ensure proper operation before firing.

2. Usage:

- Always follow the manufacturer's instructions for your specific firearm model.
- Load the firearm with the appropriate 5.56 mm NATO ammunition.
- Be sure that the safety mechanism is engaged until you are ready to fire.
- Maintain a safe shooting stance and be aware of your target and what is beyond it.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any defective or damaged components in accordance with local regulations.
- Do not discard firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Brownells M16 5.56 Complete Bolt Carrier Group, please reach out to the manufacturer or consult your local firearm expert.

Conclusion

By following these safety instructions, you can ensure safe and effective use of the Brownells M16 5.56 Complete Bolt Carrier Group. Always prioritize safety and adhere to local laws and regulations regarding firearm usage. Thank you for your attention to these important guidelines.
