# Safety Instruction Guide for the Brownells M16 7.62x39 Bolt Carrier Group

## Introduction

Thank you for choosing the Brownells M16 7.62x39 Bolt Carrier Group. This product is designed for use in AR15 rifles chambered in 7.62x39. To ensure safe usage and compliance with EU regulations, please read this guide carefully. It contains important safety instructions, installation guidelines, and disposal information.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the Bolt Carrier Group for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- If you experience any malfunctions or issues, cease use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your firearm before using the Bolt Carrier Group.
- Use only compatible ammunition (7.62x39 mm) as specified by the manufacturer.
- Always wear appropriate safety gear, such as eye and ear protection, when operating firearms.
- Do not modify or alter the Bolt Carrier Group in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure a clear shooting area before firing.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Open the upper receiver and remove the old Bolt Carrier Group if applicable.
- Insert the new Brownells M16 7.62x39 Bolt Carrier Group into the upper receiver.
- Ensure that the gas key is properly aligned and torqued.
- Install the firing pin, cam pin, and firing pin retaining pin as per the manufacturer's instructions.
- Close the upper receiver and ensure it locks securely.

### 2. Usage

- Load the firearm with the appropriate 7.62x39 mm ammunition.
- Ensure the safety is engaged until you are ready to fire.
- Take aim and ensure your target is safe before disengaging the safety and firing.
- After use, clean and maintain the Bolt Carrier Group as per the maintenance guidelines provided by the manufacturer.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the Bolt Carrier Group in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any queries or concerns related to the safety and usage of the Brownells M16 7.62x39 Bolt Carrier Group, please refer to the manufacturer's support resources or your local firearms authority.

By following these guidelines, you contribute to a safer environment for yourself and others while using the Brownells M16 7.62x39 Bolt Carrier Group. Always prioritize safety and responsible firearm handling.
