## **Shouldered Beads Screw To The Right Height Every Time; Popular Sizes In Brass & Stainless Steel**

Brownells Shotgun Sight Kit "C" is a must have for any gunsmith or sporting goods store looking to save valuable time and really please their customers. We have taken everything that's great about our Shotgun Sight Kits "A" and "B" - like their unparalleled selection of high-quality and size-popular sight beads - and added a special feature to make the beads in Kit "C" fast, easy, and convenient to install . . . every time. Every sight bead in Shotgun Sight Kit "C" has the advantage of skirted shoulders. What this means to you, the professional gunsmith or the sporting goods store owner, is you'll never have to get out your mike or calipers again to ensure you've installed the sight to its proper height. No more guesswork either! Because when the skirted shoulder reaches the barrel, it provides a positive stop that lets you know the sight is at its optimum height. Every sight from Shotgun Sight Kit "C" installs with fool-proof ease - saving you both valuable shop time and, even more important, the nightmare of upsetting a valuable customer. Not only will customers be pleased with the installation you do, they'll also love the huge selection of sizes and styles from which to choose. We selected the most popular sizes from our Shotgun Sight Kits "A" and "B", because we know that's what your customers will come in and ask you for. Plus, we know how important it is to offer different styles to please as many shooters as possible. That's why Kit "C" offers each size bead in both Gold and White. It provides the perfect selection; Gold brass for a classy, traditional look many shotgun owners are partial to and White stainless steel for a sight bead so strong it even stands up to hot bluing. Thread sizes include 3-56 and 6-48 with bead diameters of .067", .130", and .175" to give your customers the choice of small, medium and large beads. Also, for easy storage and quick identification, we've followed the same, convenient layout of Kits "A" and "B" to make it as simple as possible to find the sight you need. Kit "C's" plastic counter case is divided into eight compartments to keep the beads organized and right at your fingertips. Plus, if you put this great-looking kit on your counter for your customers to see, it's a great way to create more business by reminding people to replace broken or damaged sight beads. Brownells Shotgun Sight Kit "C" is everything you've been looking for; a huge selection, superb quality, and now the convenience of skirted shoulders. Order this time-saving, customer-pleasing kit today and enjoy the speed, precision, and ease with which each of these sights installs. Refill Sights for Kit "C" - Refills for the Shotgun Sight Kit "C" are single or 10-pak of sights of one number.

# Safety Instruction Guide for Brownells Shotgun Sight Bead Kit “C”

## Introduction

Thank you for choosing the Brownells Shotgun Sight Bead Kit “C.” This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the kit to ensure a safe experience.

## General Safety Guidelines

- **Product Safety:** Ensure that all components of the kit are used as intended. Avoid using damaged or defective parts.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive notice of a recall, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements and offers a secure purchasing experience.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer’s contact details provided on the packaging or product documentation.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the kit, read all instructions and safety information carefully.
- **Proper Installation:** Ensure that the sight beads are installed correctly to avoid accidents or misalignment during use.
- **Use Protective Gear:** When installing the sight beads, consider wearing safety glasses to protect your eyes from debris.
- **Work in a Safe Environment:** Use the kit in a welllit and clean workspace to minimize risks.
- **Avoid Direct Contact with Hot Surfaces:** Some components may become hot during installation. Handle with care.
- **Inspect Before Use:** Always inspect the sight beads for any defects or damage before installation.

## Instructions for Installation and Usage

1. **Gather Your Tools:** Ensure you have the necessary tools, including a screwdriver and any other tools specified in the installation instructions.
2. **Select the Appropriate Sight Bead:** Choose the bead size and color (Gold or White) that best suits your needs.
3. **Prepare the Shotgun:** Ensure the shotgun is unloaded and in a safe condition before proceeding with installation.
4. **Installation Steps:**
  - Remove any existing sight bead if applicable.
  - Clean the area where the new sight bead will be installed.
  - Align the skirted shoulder of the bead with the barrel of the shotgun.
  - Press the bead into place until the skirted shoulder makes contact with the barrel, ensuring it is at the optimum height.
  - Secure the bead if necessary, following any additional instructions provided in the kit.
5. **Final Inspection:** After installation, doublecheck that the sight bead is securely in place and properly aligned.

## Disposal Instructions

- **Dispose of Responsibly:** When disposing of any unwanted or damaged components, follow local regulations for waste disposal.
- **Recycling:** If applicable, recycle materials such as plastic and metal according to local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the Brownells Shotgun Sight Bead Kit “C,” please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Enjoy using your Brownells Shotgun Sight Bead Kit “C” safely and effectively!
