Shouldered Beads Screw To The Right Height Every Time; Popular Sizes In Brass & Stainless Steel

Brownells Shotgun Sight Kit "C" is a must have for any gunsmith or sporting goods store looking to save valuable time and really please their customers. We have taken everything that's great about our Shotgun Sight Kits "A" and "B" - like their unparalleled selection of high-quality and size-popular sight beads - and added a special feature to make the beads in Kit "C" fast, easy, and convenient to install . . . every time. Every sight bead in Shotgun Sight Kit "C" has the advantage of skirted shoulders. What this means to you, the professional gunsmith or the sporting goods store owner, is you'll never have to get out your mike or calipers again to ensure you've installed the sight to its proper height. No more guesswork either! Because when the skirted shoulder reaches the barrel, it provides a positive stop that lets you know the sight is at its optimum height. Every sight from Shotgun Sight Kit "C" installs with fool-proof ease - saving you both valuable shop time and, even more important, the nightmare of upsetting a valuable customer. Not only will customers be pleased with the installation you do, they'll also love the huge selection of sizes and styles from which to choose. We selected the most popular sizes from our Shotgun Sight Kits "A" and "B", because we know that's what your customers will come in and ask you for. Plus, we know how important it is to offer different styles to please as many shooters as possible. That's why Kit "C" offers each size bead in both Gold and White. It provides the perfect selection; Gold brass for a classy, traditional look many shotgun owners are partial to and White stainless steel for a sight bead so strong it even stands up to hot bluing. Thread sizes include 3-56 and 6-48 with bead diameters of .067", .130", and .175" to give your customers the choice of small, medium and large beads. Also, for easy storage and quick identification, we've followed the same, convenient layout of Kits "A" and "B" to make it as simple as possible to find the sight you need. Kit "C's" plastic counter case is divided into eight compartments to keep the beads organized and right at your fingertips. Plus, if you put this great-looking kit on your counter for your customers to see, it's a great way to create more business by reminding people to replace broken or damaged sight beads. Brownells Shotgun Sight Kit "C" is everything you've been looking for; a huge selection, superb quality, and now the convenience of skirted shoulders. Order this time-saving, customer-pleasing kit today and enjoy the speed, precision, and ease with which each of these sights installs. Refill Sights for Kit "C" - Refills for the Shotgun Sight Kit "C" are single or 10-pak of sights of one number.

Safety Instruction Guide for Brownells Shotgun Sight Bead Kit “C”

Introduction

Thank you for choosing the Brownells Shotgun Sight Bead Kit “C”. This product is designed to enhance your shotgun's sighting capabilities while ensuring safety during installation and use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the shotgun is unloaded before installing or handling the sight beads.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Be cautious when handling sharp tools or components during installation.
- Wear appropriate safety gear, such as safety glasses, to protect your eyes.
- Work in a welllit area to avoid accidents.
- Do not force any components together; if parts do not fit, check for compatibility and alignment.
- Ensure that the sight bead is securely fastened before using the shotgun.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any other tools specified in the product instructions.
- Ensure your work area is clean and free of distractions.

2. Installation Steps:

- Make sure your shotgun is completely unloaded and pointed in a safe direction.
- Remove the old sight bead if applicable, following the manufacturer's instructions.
- Select the appropriate sight bead from the kit, considering size and color preferences.
- Align the skirted shoulder of the sight bead with the barrel of the shotgun.
- Gently press the sight bead into place until the skirted shoulder makes contact with the barrel, indicating proper height.
- Secure the sight bead according to the manufacturer's specifications, ensuring it is tightly fastened.

3. Usage:

- After installation, check the sight alignment before using the shotgun.
- Regularly inspect the sight bead for wear or damage during routine maintenance.
- If you notice any issues, replace the sight bead immediately to ensure optimal performance.

Disposal Instructions

- Dispose of any damaged or unused sight beads in accordance with local regulations.
- Consider recycling materials whenever possible. Check with local recycling centers for acceptable disposal methods.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Brownells Shotgun Sight Bead Kit "C". Always prioritize safety when working with firearms and their accessories. Thank you for your attention to these important guidelines.
