## Longer Bits Reach Through Rings

BROWNELLS MAGNA-TIP® SEE-THRU RING BITS The Brownells MAGNA-TIP® See-Thru Ring Bits are specialized tools designed to facilitate the installation and removal of scope rings with see-through mounts. These extra-long bits are engineered to reach through the scope rings, allowing for efficient engagement with the mounting screws without necessitating scope removal.

**Description and Features:**

- Extra-Long Design:** The extended length of these bits enables them to reach through see-through scope rings, providing direct access to the mounting screws. This design feature eliminates the need to remove the scope during installation or adjustment, thereby preserving the scope's alignment and zero.
- Precision Fit:** Each bit is hollow-ground to ensure a precise fit in slotted screws, minimizing the risk of cam-out and potential damage to the screw heads or firearm components.
- Durable Construction:** Crafted from hardened steel, these bits offer exceptional strength and longevity, making them suitable for repeated use in demanding gunsmithing tasks.

**Available Options:** The MAGNA-TIP® See-Thru Ring Bits are available in specific sizes to accommodate common screw dimensions used in scope mounts:

- #6 Slot:** Shank Diameter (SD) = .180 inches, Blade Thickness (BT) = .037 inches.
- #8 Slot:** Shank Diameter (SD) = .210 inches, Blade Thickness (BT) = .037 inches.
- 3/32" Hex:** Designed to fit Leupold scope rings.
- 7/64" Hex:** Designed to fit Redfield scope rings.
- T-10 Torx:** Suitable for certain scope ring screws.
- T-15 Torx:** Suitable for certain scope ring screws.

**Specifications:**

- Material:** Hardened steel
- Bit Type:** Hollow ground slotted and hex
- Compatibility:** Designed for use with Brownells MAGNA-TIP® handles

**Customer Insights:** Our customers report that the MAGNA-TIP® See-Thru Ring Bits are invaluable additions to their gunsmithing toolkits. The extra-long design allows for easy access to scope ring screws without removing the scope, preserving alignment and zero. Customers appreciate the precision fit of the bits, which minimizes the risk of damaging screw heads or firearm components during maintenance. The durable construction ensures these bits withstand repeated use in demanding tasks. Incorporating the Brownells MAGNA-TIP® See-Thru Ring Bits into your gunsmithing toolkit ensures you have the specialized tools necessary for efficient and precise scope mounting and maintenance tasks.

## Attributes

- Name: [MAGNA-TIP SEE-THRU BIT-SD=3/32" ALLEN](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080146093
- Mfr. No.:
- Bit Number: 146-093
- Blade Diameter: .094
- Blade Thickness: .094
- Color: -
- Handle: No Handle
- Kit: -

- Material: -
- Model Number: 3/32 Allen Bit
- Style: Allen,See-Thru Ring
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806010987

# Safety Instruction Guide for MAGNATIP® SEETHRU RING BITS

## Introduction

Thank you for choosing the Brownells MAGNATIP® SeeThru Ring Bits. This guide provides essential safety instructions to ensure your safe and effective use of these specialized tools. Please read this document thoroughly before use to understand the safety guidelines and proper handling procedures.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MAGNATIP® SeeThru Ring Bits by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions for returning or disposing of the product.
- **Online Shopping:** When purchasing online, ensure the seller meets safety requirements equivalent to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using these tools around children or vulnerable individuals. Keep tools out of reach when not in use.
- **EU Contact Point:** For any safety inquiries, refer to your local EU contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses and gloves, to protect against debris and sharp edges.
- **Workspace Safety:** Ensure your workspace is clean, welllit, and free from clutter to minimize the risk of accidents.
- **Tool Inspection:** Before use, inspect the MAGNATIP® SeeThru Ring Bits for any signs of damage or wear. Do not use damaged bits.
- **Proper Handling:** Always handle tools with care. Avoid using excessive force, which may lead to tool failure or injury.
- **Avoid Distractions:** Focus on the task at hand, and avoid distractions while using the tools to prevent accidents.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure the firearm is unloaded and pointed in a safe direction before beginning any work.
  - Gather all necessary tools and components before starting.
- **Using the MAGNATIP® SeeThru Ring Bits:**
  - Select the appropriate size bit for the scope ring screws you are working with.
  - Insert the selected bit into a compatible MAGNATIP® handle.
  - Align the bit with the screw head, ensuring a snug fit to prevent camout.
  - Turn the bit clockwise to tighten or counterclockwise to loosen the screws.
  - Use a steady and controlled motion to avoid stripping the screws.
- **PostUsage Care:**
  - After completing your work, clean the bits to remove any debris or residue.

- Store the MAGNATIP® SeeThru Ring Bits in a safe and dry place, away from children and pets.

## **Disposal Instructions**

- **Responsible Disposal:** Dispose of the MAGNATIP® SeeThru Ring Bits in accordance with local regulations. Do not dispose of tools in regular household waste.
- **Recycling:** If applicable, consider recycling the bits to reduce environmental impact. Check with local recycling facilities for guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAGNATIP® SeeThru Ring Bits, please refer to your local distributor or manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells MAGNATIP® SeeThru Ring Bits. Thank you for prioritizing safety in your gunsmithing tasks.
