

E-CLIP KIT - BROWNELLS E-CLIP .230"(5.8MM)OD .094"(2.4MM)ID .095"(2.4MM) SD 20PK

[Gunsmith Tools](#) > [Small Hardware](#) > [E-Clips](#)

8 Sizes Cover Most Gun Needs

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlins, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

ECLIP KIT BROWNELLS ECLIP Safety Instructions

Introduction

Thank you for choosing the EClip Kit from Brownells. This kit is essential for maintaining and repairing various firearms by providing a reliable means to hold pins and parts in place. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle tools and firearm components with care.
- Keep the EClip Kit out of reach of children and unauthorized individuals.
- Inspect all clips before use for any signs of damage or wear.
- Use the EClips only for their intended purpose to avoid accidents or malfunctions.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Loose clips can lead to parts becoming dislodged, which may cause injury or malfunction.
- Small parts can pose a choking hazard, particularly to children.

- **Avoiding Hazards:**

- Ensure that all components are securely fastened during use.
- Do not attempt to modify the clips or use them in a manner not specified in the instructions.
- Always wear appropriate safety gear, such as gloves and eyewear, when handling firearm parts.

Instructions for Installation and Usage

1. Preparing for Use:

- Gather all necessary tools and components before starting your project.
- Ensure that the workspace is clean and welllit.

2. Using EClips:

- Select the appropriate size EClip for your application. The EClip Kit includes various sizes, each stored in its own snaptop box.
- Align the EClip with the pin or part that requires securing.
- Firmly press the EClip onto the pin until it is securely in place. Ensure that it is seated properly to avoid dislodgment.

3. After Installation:

- Doublecheck that all clips are installed correctly and securely.
- Test the functionality of the firearm to ensure that all parts operate smoothly.

Disposal Instructions

- Dispose of any damaged or worn EClips in accordance with local waste disposal regulations.
- Do not dispose of EClips in regular household waste if they are considered hazardous.

- Recycle the packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the EClip Kit, please refer to the manufacturer's guidelines or contact your local retailer for assistance. Always ensure that you have access to the appropriate support for safe usage and maintenance of your firearm components.

By following these safety instructions, you can ensure a safe and effective experience with your EClip Kit. Thank you for prioritizing safety and responsible usage.
