[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

## Increased Round Capacity for Mossberg Shotguns

Short, screw-on magazine extensions add one or two additional rounds to tactical and sporting shotguns without increasing overall gun length. Replaces factory magazine cap with no permanent modifications. Machined from solid steel bar stock for a much stronger system to resist dents. Included sling loop can be installed for left- or right-handed shooters. Includes a smooth feeding stainless steel follower for enhanced reliability. Available for Mossberg 590A1 shotguns. Note: Will not work with Mossberg 590 Shockwave firearms.

## Introduction

Thank you for choosing the MOSSBERG 590 Shotgun Magazine Tube Extension from VANG COMP SYSTEMS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Always treat your shotgun and its accessories as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store the shotgun and its accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your shotgun and accessories for any signs of wear or damage.
- Ensure you are familiar with and adhere to local laws and regulations regarding firearm use and accessories.
- In case of any malfunction or unusual behavior during use, stop using the product immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- This magazine tube extension is designed for use with the Mossberg 590A1 shotguns only.
- Do not attempt to use this extension with the Mossberg 590 Shockwave firearms.
- Ensure that the shotgun is unloaded before installing or removing the magazine tube extension.
- Follow all manufacturer instructions when installing the magazine extension to prevent improper installation.
- Avoid using excessive force when installing or removing the magazine extension to prevent damage.
- Use only 12 gauge ammunition with this magazine extension.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your shotgun is completely unloaded.
- Gather all necessary tools for installation, including a screwdriver.

### 2. Installation

- Remove the factory magazine cap by unscrewing it counterclockwise.
- Attach the magazine tube extension by screwing it onto the magazine tube until it is secure.
- Install the included stainless steel follower into the magazine tube extension.
- If desired, install the included sling loop for left or righthanded use.

### 3. Usage

- Load the shotgun with the appropriate 12 gauge ammunition through the magazine tube extension.
- Ensure the follower is properly seated to allow for smooth feeding of ammunition.
- Always check the magazine capacity before firing to ensure safe operation.

### 4. PostUsage

- After use, clean and inspect the magazine tube extension and shotgun to maintain performance.
- Store the shotgun and magazine extension in a secure location.

## **Disposal Instructions**

- Dispose of the magazine tube extension according to local regulations for metal recycling.
- Do not dispose of any part of the product in regular household waste.
- Ensure that all components, including the magazine spring and follower, are disposed of safely.
