

# UNIVERSAL WIRE LOOP - BLUE FORCE GEAR UNIVERSAL LOOP, SHORT 3.25"

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Fast, Easy, Versatile Sling Attachment System; No Gunsmithing

Nylon-coated, stainless steel cable with permanently attached sling loop provides simple, easy-to-install, ambidextrous sling attachment on any rifle or shotgun. Thread around barrel and forend, through buttstock swivel studs, or through front sight towers to create an instant, no-gunsmithing sling attachment point. Lightweight yet strong aluminum loop accepts slings up to 1¼" wide. Stainless steel shank ends can't pull loose, while nylon coating on cable prevents damage to firearm and muffles unwanted sound. Short lengths let you choose the length that fits best fits your application.

# Safety Instruction Guide for UNIVERSAL WIRE LOOP BLUE FORCE GEAR UNIVERSAL LOOP, SHORT 3.25"

## Introduction

Thank you for choosing the UNIVERSAL WIRE LOOP BLUE FORCE GEAR UNIVERSAL LOOP, SHORT 3.25". This product is designed to provide a secure and versatile sling attachment for your rifle or shotgun. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sling attachment for firearms.
- Always handle firearms safely and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended load limit of 1¼" wide slings.
- Ensure that the nyloncoated stainless steel cable is properly threaded and secured before use.
- Avoid using the product if the nylon coating is damaged, as this may lead to wear on the firearm.
- Be cautious of sharp edges during installation to prevent injury.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Thread the nyloncoated stainless steel cable around the barrel and forend of the firearm.
- Pass the cable through the buttstock swivel studs or front sight towers.
- Ensure the sling loop is securely attached and does not interfere with the operation of the firearm.

### 2. Usage Guidelines:

- Always ensure the firearm is unloaded before attaching or detaching the sling.
- Use the sling attachment only while the firearm is in a safe and controlled environment.
- Regularly check the attachment point during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the product responsibly at a designated recycling or waste facility.
- Do not dispose of the product in regular household waste.
- Ensure that all components are disposed of in accordance with local environmental regulations.

## Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please contact the manufacturer or your retailer. Ensure that you have your product details available for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority.
