# RUGER® 10/22® Thread Protector Safety Instructions

## Introduction

Thank you for choosing the RUGER® 10/22® Thread Protector from Tactical Solutions, LLC. This guide provides essential safety information and instructions for the proper use and maintenance of your thread protector. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that the thread protector is compatible with your Ruger® 10/22® barrel before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep out of reach of children and unauthorized users.
- Inspect the thread protector for any signs of damage before use. Do not use if damaged.
- Ensure that the firearm is unloaded before installing or removing the thread protector.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Do not attempt to modify the thread protector or use it for any purpose other than intended.
- Avoid contact with the thread protector when it is hot, as it may cause burns.
- Use caution when cleaning the thread protector; ensure it is cool and dry before handling.
- Follow all manufacturer instructions for the safe operation of your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is completely unloaded.
- Gather necessary tools, such as a wrench, if required for installation.

### 2. Installation

- Align the thread protector with the threaded end of the Ruger® 10/22® barrel.
- Carefully screw the thread protector onto the barrel by hand, ensuring it is aligned properly.
- Use a wrench to tighten gently, but do not overtighten, as this may cause damage.

### 3. Usage

- Once installed, the thread protector serves to safeguard the barrel threads from damage and debris.
- Regularly inspect the thread protector for wear and ensure it remains securely attached.

### 4. Removal

- To remove the thread protector, ensure the firearm is unloaded.
- Use a wrench to loosen the thread protector by turning it counterclockwise.
- Remove the thread protector by hand once it is loosened.

## **Disposal Instructions**

- Dispose of the thread protector in accordance with local regulations for metal products.
- If the thread protector is damaged or no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RUGER® 10/22® Thread Protector, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details ready for assistance.

By following these safety instructions, you can ensure the safe use and maintenance of your RUGER® 10/22® Thread Protector. Thank you for your attention to these important guidelines.
