

MULTI MISSION SLING PARACLIP ADAPTERS - MAGPUL MS1 SINGLE POINT PARACLIP ADAPTER, COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The MS1 comes without connecting hardware so you can choose what you need for your specific application. Magpul Paraclips and push-button QDs are available individually to complement our selection of sling attachment points. For the option to convert to one-point use, simply add the appropriate one-point adapter that works with your choice of hardware. Melonite™ and manganese phosphate finished steel with custom snag-free high durability 1-1/4" webbing. Made in U.S.A.

Safety Instruction Guide for MULTI MISSION SLING PARACLIP ADAPTERS MAGPUL MS1 SINGLE POINT PARACLIP ADAPTER, COYOTE

Introduction

Thank you for choosing the MULTI MISSION SLING PARACLIP ADAPTERS MAGPUL MS1 SINGLE POINT PARACLIP ADAPTER. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the product for signs of wear or damage before each use.
- Do not use the product if it is damaged or if any components are missing.
- Follow all instructions for installation and usage to minimize risks.
- In case of an accident or injury, seek medical assistance immediately.

Specific Safety Precautions for Use

- Ensure that the sling is securely attached to both the firearm and the user before use.
- Avoid using the sling in wet or slippery conditions to prevent loss of grip.
- Do not exceed the weight limit specified for the sling; check compatibility with your equipment.
- Be cautious when transitioning between different carrying positions to avoid accidental discharge.
- Always maintain proper firearm safety practices while using the sling.

Instructions for Installation and Usage

1. Installation

- Select the appropriate connecting hardware (Magpul Paraclips or pushbutton QDs) based on your specific application.
- Attach the chosen hardware to the sling attachment points on your firearm.
- Ensure that all connections are secure and properly aligned before use.

2. Usage

- Adjust the sling to the desired length for comfort and accessibility.
- To convert to onepoint use, attach the appropriate onepoint adapter that is compatible with your selected hardware.
- When using the sling, ensure that it does not obstruct your movement or access to the firearm.
- Regularly check the adjustments and connections during use to ensure they remain secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and textile waste.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond repair, consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MULTI MISSION SLING PARACLIP ADAPTERS MAGPUL MS1 SINGLE POINT PARACLIP ADAPTER. Always prioritize safety and responsible use. Thank you for your attention to these important safety measures.
