# TCS Cleaning Patches Safety Instruction Guide

## Introduction

Welcome to the TCS Cleaning Patches Safety Instruction Guide. This document provides essential safety information and guidelines to ensure the safe use of our cleaning patches for firearms. Adhering to these guidelines will help you use our products effectively while minimizing any potential risks.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of TCS Cleaning Patches by following all instructions provided. These products are designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** In the event of a product recall, we will provide standardized notices and free remedies. Stay informed about recalls and safety updates.
- **Online Shopping:** When purchasing online, be assured that our products meet the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that these products are kept out of reach of children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Keep Out of Reach of Children:** These cleaning patches are not toys. Ensure they are stored safely away from children.
- **Avoid Inhalation:** Do not inhale any fibers or particles that may be released during use. Use in a wellventilated area.
- **Inspect Before Use:** Check the patches for any damage or defects before use. Do not use if they are torn or compromised.
- **Use Properly:** Always use the patches with compatible TCS Cleaning Jags to ensure optimal performance and safety.
- **Follow Manufacturer Instructions:** Adhere strictly to the usage instructions provided with the TCS Cleaning Patches.

## Instructions for Installation and Usage

- **Preparation:**
  - Gather all necessary equipment, including TCS Cleaning Jags and cleaning solvents if needed.
  - Ensure your workspace is clean and welllit.
- **Using the Patches:**
  - Choose the appropriate patch size for your firearm caliber:
    - 22 Caliber7mm Patches for calibers 22, 243, 25, 270, and .284.
    - 3045 Caliber Patches for calibers 30, 338, 9mm, 40, 44, and 45.
    - 28 Ga10 Ga Patches for 50 Caliber Muzzleloader, 28 Gauge, 20 Gauge, and 12 Gauge.
  - Attach the patch securely to the TCS Cleaning Jag.
  - Apply cleaning solvent if necessary, following the solvent's safety guidelines.
  - Insert the jag with the patch into the firearm's bore and gently pull through to clean.
  - Repeat as necessary until the bore is clean.
- **PostUse Care:**

- Dispose of used patches responsibly. Do not leave them lying around.
- Clean your workspace after use to prevent any accidents.

## **Disposal Instructions**

- Dispose of used cleaning patches in accordance with local regulations.
- Do not dispose of in recycling bins unless specified safe for such use.
- If unsure about disposal methods, contact local waste management services for guidance.

## **Contact Information for Further Support**

For any questions or additional support regarding the use of TCS Cleaning Patches, please refer to the designated contact point provided with your product packaging.
