Safety Instruction Guide for Strike Industries Glock® AllinOne Tool

Introduction

Thank you for choosing the Strike Industries Glock® AllinOne Tool. This tool is designed to enhance your experience with Glock® firearms by providing essential functions in a compact design. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Always follow the manufacturer's instructions and safety guidelines.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool regularly for signs of wear or damage. Do not use if damaged.
- Store the tool in a safe, dry place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the tool.
- Use the tool in a welllit environment to avoid accidents.
- Do not attempt to modify the tool in any way.
- Ensure the magazine is empty before using the base plate removal function.
- Do not apply excessive force when using the tool to prevent injury or damage.
- Keep hands and fingers clear of moving parts during operation.

Instructions for Installation and Usage

1. Familiarize Yourself with the Tool:

- Review the different components of the tool, including pin punches, sight removal tool, and base plate remover.

2. Using the Base Plate Removal Function:

- Ensure the magazine is empty before proceeding.
- Position the base plate removal key against the base plate of the magazine.
- Apply gentle pressure to engage the opener function.
- The base plate should release in approximately T3 seconds. If it does not, check for obstructions.

3. Using the Sight Removal Tool:

- Select the appropriate pin punch size for the sight being removed.
- Align the punch with the pin and gently tap with a hammer or mallet to remove the pin.

4. Using the Pin Punches:

- Choose the correct size pin punch for your application.
- Align the punch with the pin and apply gentle pressure to push out the pin.

5. Storage:

- After use, clean the tool if necessary and store it in a safe place.
- Ensure the tool is dry before storing to prevent rust.

Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- Do not dispose of the tool in household waste.
- If the tool is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Strike Industries Glock® AllinOne Tool, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Enjoy using your Strike Industries Glock® AllinOne Tool responsibly and safely!
