

MK18 5.56 UPPER RECEIVER GROUP COMPLETE - DANIEL DEFENSE

MK18 10.3" UPPER RECEIVER 5.56 1-7 GOVT BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The Daniel Defense MK18 Upper Receiver Group features the railed forend Daniel Defense currently provides to USSOCOM and a 10.3" Cold Hammer Forged Barrel. The MK18 Rail Interface System (RIS II) features the Bolt-Up System has been rigorously tested prior to fielding by USSOCOM. The 10.3" barrel is the same length in use for the MK18 upper most often used for CQB operations. The new independently ambidextrous GRIP-N-RIP Charging Handle accommodates left- and right-handed shooters and is engineered for suppressed fire, with anti-gas features that redirect gas flow upward and away from the face and operator. All Daniel Defense complete upper receiver groups come standard with an M16 profile bolt carrier group. Available with either black or FDE handguards. MK18 5.56 Upper Receiver Group Safety Instructions

Introduction

Thank you for choosing the Daniel Defense MK18 5.56 Upper Receiver Group. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully and follow all guidelines to minimize risks associated with the use of firearms.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Store firearms and ammunition in a secure place, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Regularly inspect your firearm for any signs of wear or damage.
- Ensure that you are familiar with the operation of your firearm before use.

Specific Safety Precautions for Use

- Ensure that the MK18 upper receiver is installed correctly on a compatible lower receiver before use.
- Use only the recommended ammunition: 5.56 mm NATO.
- Be cautious of hot surfaces, especially the barrel and muzzle device, after firing.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- Do not modify the upper receiver group or any of its components without consulting a qualified gunsmith.
- If you experience a malfunction, cease firing immediately and follow proper clearing procedures.
- Be aware of the potential for recoil and ensure a proper grip and stance while firing.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Align the MK18 upper receiver with the lower receiver.
- Push down the takedown pins to secure the upper receiver to the lower receiver.
- Confirm that the upper and lower receivers are properly mated and locked in place.

2. Usage:

- Load the firearm using only 5.56 mm NATO cartridges.
- Check the safety mechanism to ensure it is in the "safe" position before loading.
- Once ready to fire, switch the safety to the "fire" position.
- Maintain a firm grip on the firearm and aim at your target.
- After firing, return the safety to the "safe" position before handling or storing the firearm.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the firearm, contact local law enforcement or a licensed firearms dealer to ensure compliance with legal requirements.
- Do not dispose of firearms in regular trash or recycling bins.

Contact Information for Further Support

For any inquiries regarding the MK18 Upper Receiver Group or safety concerns, please reach out to your local authorized dealer or manufacturer's support service. Ensure you have your product details available when seeking assistance.

Conclusion

The Daniel Defense MK18 5.56 Upper Receiver Group is designed for reliable performance and safety. By following these guidelines, you can ensure a safe and enjoyable experience with your firearm. Always prioritize safety and responsibility in your shooting activities.
