[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

The Difficult Part Is Done - Barrel Is Already Installed & Headspaced

HOWA M1500 6.5 CREEDMOOR BARRELED ACTION The Howa 1500 6.5 Creedmoor Barreled Action is a great platform for shooters who want to build their own long range, precision rifle at an affordable price. Starting with a standard-dimension forged steel short action (SA) receiver, Howa adds a hammer-forged barrel chambered for the popular new 6.5 Creedmoor cartridge. The tricky headspacing is even done for you. The Howa 1500 6.5 Creedmoor barreled action has a one-piece bolt with traditional twin opposing locking lugs and an M16 style extractor with plunger. Inside the is a crisp, light, two-stage HACT (Howa Actuator Controlled Trigger) trigger that delivers a consistent, smooth pull. The three-position safety allows the action to be unloaded while on safe. FEATURES Includes standard hinged floor plate and magazine box # 6 heavy / bull barrel or Match contour 1-8" rifling 5/8x24" threaded muzzle, with thread cap Available with Blued or Stainless Finish FFL required for purchase

M1500 6.5 Creedmoor Barreled Action Safety Instructions

Introduction

Thank you for choosing the Howa M1500 6.5 Creedmoor Barreled Action. This product is designed for precision shooting and longrange performance. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the safety is engaged when not in use.
- Store the firearm securely and out of reach of children.
- Do not use the firearm under the influence of drugs or alcohol.
- Regularly inspect the firearm for any signs of wear or damage.
- Use only the recommended ammunition for this product to avoid malfunctions.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the area is clear of people and obstacles before firing.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your target and what lies beyond it.
- Do not attempt to modify the firearm in any way.
- If a misfire occurs, keep the firearm pointed downrange for at least 30 seconds before attempting to clear the malfunction.
- Do not load the firearm until you are ready to shoot.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary tools and equipment for installation.
- Follow the manufacturer's guidelines for attaching the barreled action to your chosen stock.
- Verify that all screws and components are tightened securely before use.

2. Usage

- Load the magazine according to the manufacturer's instructions.
- Insert the magazine into the firearm until it clicks into place.
- To chamber a round, pull back the bolt and release it to allow the round to enter the chamber.
- Always check that the safety is in the correct position before firing.
- After firing, ensure the firearm is unloaded before storing or transporting.

Disposal Instructions

- Follow local regulations for the disposal of firearms and ammunition.
- If you need to dispose of the barreled action, contact a licensed firearms dealer for assistance.
- Do not dispose of ammunition in regular household waste. Return unused ammunition to a licensed dealer or follow local hazardous waste guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Howa M1500 6.5 Creedmoor Barreled Action, please consult with a qualified firearms dealer or refer to the manufacturer's website for more information.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Howa M1500 6.5 Creedmoor Barreled Action. Thank you for prioritizing safety and responsible firearm ownership.
