Safety Instruction Guide for the Agency Arms Threaded Mid Line Barrel G17 DLC

Introduction

Thank you for purchasing the Agency Arms Threaded Mid Line Barrel for your Glock 17. This guide provides important safety information and instructions for the safe use, installation, and disposal of the product. Please read this guide carefully to ensure safe operation and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure your firearm is unloaded before installing or handling the threaded barrel.
- Always follow the manufacturer's instructions for your Glock 17.
- Use only 9 mm pistol suppressors that are compatible with the threaded barrel.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or accidents.
- Using incompatible suppressors can cause damage to the firearm or suppressor.
- Failure to maintain the barrel can lead to wear, rust, or malfunction.

- **Instructions to Avoid Hazards:**

- Always verify compatibility with your Glock 17 before use.
- Use the barrel only as intended, following all safety guidelines.
- Regularly clean and maintain the barrel to prevent rust and wear.
- Seek professional assistance if you are unsure about installation or use.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the Glock 17 is unloaded and pointed in a safe direction.
- Remove the factory barrel from the Glock 17 by following the manufacturer's instructions.
- Carefully insert the Agency Arms Threaded Mid Line Barrel into the slide.
- Ensure the barrel is properly seated and locked in place.
- Install the suppressor according to the manufacturer's instructions.
- Check that the barrel is secure before use.

2. Usage:

- Always handle your firearm safely and responsibly.

- Use the threaded barrel only with compatible 9 mm pistol suppressors.
- Regularly inspect the barrel and suppressor for any signs of damage.
- Follow all local laws and regulations regarding the use of suppressors.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm parts.
- If the barrel is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact your local authorized dealer. Always ensure you have the latest information regarding product recalls and safety updates.

Thank you for choosing the Agency Arms Threaded Mid Line Barrel. Your safety is our priority.
