Consumer Safety Instruction Guide for Agency Arms NonThreaded Mid Line Barrel G19 DLC

Introduction

Thank you for choosing the Agency Arms NonThreaded Mid Line Barrel for your Glock G19 pistol. This product is designed to enhance the performance and longevity of your firearm. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety guidelines, installation, usage, and disposal.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the barrel in a secure location away from children and unauthorized users.
- Inspect the barrel regularly for signs of wear or damage.
- Do not use the barrel with ammunition that is not compatible with the Glock G19.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Do not modify the barrel or any part of the firearm without consulting a qualified gunsmith.
- Ensure that the barrel is properly installed before using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Do not use the barrel if it is damaged or shows signs of excessive wear.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before starting the installation.
- Remove the existing barrel from the Glock G19 following the manufacturer's guidelines.
- Carefully insert the Agency Arms NonThreaded Mid Line Barrel into the slide of the Glock G19.
- Ensure that the barrel is seated properly and securely.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- Once installed, ensure that the firearm is functioning correctly by performing a function check.
- Use only 9 mm Luger ammunition with the barrel.
- Always follow safe shooting practices when using the firearm.
- Clean the barrel regularly to maintain performance and prevent fouling.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent unauthorized use.
- Check with local authorities for proper disposal methods of firearm components.

Contact Information for Further Support

For any questions or concerns regarding the Agency Arms NonThreaded Mid Line Barrel, please refer to the manufacturer's official website or contact their customer support. It is essential to have a reliable source for product inquiries and support.

By following these guidelines, you can ensure the safe and effective use of the Agency Arms NonThreaded Mid Line Barrel for your Glock G19. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
