Safety Instruction Guide for Agency Arms NonThreaded Mid Line Barrel G19

Introduction

Thank you for choosing the Agency Arms NonThreaded Mid Line Barrel for your Glock G19. This product is designed to enhance the performance and quality of your firearm. However, it is essential to follow safety guidelines to ensure proper use and handling. This guide provides important safety instructions, installation procedures, and disposal information to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that all firearms are handled with care and respect.
- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and barrel for any signs of wear or damage.
- Do not use the barrel if it is damaged or shows signs of corrosion.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or use may lead to firearm malfunction, which can cause serious injury or death.
- Ensure that the barrel is compatible with your Glock G19 model.

- **Avoiding Hazards:**

- Always verify that the firearm is unloaded before installation.
- Do not attempt to modify the barrel or firearm in any way that may compromise safety.
- Use only recommended ammunition (9 mm Luger) with this barrel.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are 18 years of age or older.
- Keep this product out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from your Glock G19 by following the manufacturer's instructions.
- Carefully insert the Agency Arms NonThreaded Mid Line Barrel into the slide of your Glock G19.
- Ensure that the barrel is seated properly and securely.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- Before firing, perform a function check to ensure the firearm operates correctly.

- Only use the barrel at designated shooting ranges or safe shooting environments.
- Follow all range safety rules and regulations.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for metal and firearm components.
- Contact local waste management authorities for guidance on the safe disposal of firearm parts.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For safety inquiries or additional support, please consult the retailer from whom you purchased this product or seek guidance from a qualified firearms expert.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of the Agency Arms NonThreaded Mid Line Barrel for your Glock G19. Always prioritize safety and responsible firearm handling to protect yourself and others. Thank you for your attention to these important safety measures.
