[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

### Aids in Smooth, Reliable Cycling of Your AR-15 Pistol

The Foxtrot Mike Products Mike-9 Bolt / Carrier Group fits 9MM AR style pistols and carbines that use lowers designed for Glock style magazines only. Machined from a single piece of premium 8620H steel alloy, the Mike-9 Bolt / Carrier Group is finished with a deep-penetration salt bath nitride that gives both lubricity and wear-resistance. As an added benefit, the Mike-9 Bolt Carrier is “ramped” to accommodate both standard GI and dedicated 9mm hammers. One piece design for superb reliability Manufactured in state-of-the-art facility with ISO:9001 & AS:9100 quality certifications The Foxtrot Mike Products Mike-9 Bolt Carrier Group comes complete, with firing pin and extractor installed, and ready to go into your pistol caliber carbine build.

# MIKE9 Bolt Carrier Assembly Safety Instructions

## Introduction

Thank you for choosing the MIKE9 Bolt Carrier Assembly from Foxtrot Mike Products. This product is designed for use in 9MM ARstyle pistols and carbines that utilize Glockstyle magazines. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store this product and any associated firearms securely and out of reach of children.
- Use only compatible components and accessories with the MIKE9 Bolt Carrier Assembly.
- Regularly inspect the product for any signs of wear or damage before use.
- Ensure that you are familiar with local laws and regulations regarding firearms and ammunition.
- If you are inexperienced with firearms, seek training from a qualified professional.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of the firearm may result in accidental discharge.
- Using incompatible ammunition or components may lead to malfunctions.
- Failure to maintain the product can result in decreased performance and reliability.

- **Instructions to Avoid Hazards:**

- Always ensure that the firearm is pointed in a safe direction when handling.
- Do not load the firearm until you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Ensure that the firearm is unloaded when not in use.
- Use only 9MM Luger cartridges with this assembly.

- **Age and AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the legal age for firearm possession in your jurisdiction.
- Ensure that only responsible and trained individuals handle this product.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is completely unloaded and pointed in a safe direction.
2. Remove the existing bolt carrier group from the firearm.
3. Insert the MIKE9 Bolt Carrier Assembly into the upper receiver, ensuring it is seated properly.
4. Reassemble the firearm according to the manufacturer's instructions.

- **Usage:**

- Always follow the manufacturer's guidelines for operating your firearm.
- When firing, maintain a firm grip on the firearm and ensure proper stance and alignment.
- Monitor the firearm for any unusual sounds or performance issues during use.

## **Disposal Instructions**

- Dispose of the MIKE9 Bolt Carrier Assembly in accordance with local regulations regarding hazardous materials and firearm components.
- Do not dispose of the product in regular household waste. Contact local authorities for proper disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer's website or reach out to your local dealer. Always ensure that you have the latest information on product recalls and safety notices.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
