

COMPACT MATCH FLAME BARRELS FOR GLOCK® 19 - FAXON FIREARMS MATCH 9MM THREADED FLAME BBL FOR GLOCK-19 GEN 1-4 BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Drop-In Competition Barrel That Delivers "Custom" Performance

Faxon's Flame Match Barrel for Glock 19® sports innovative variable-depth fluted "flames" that give extra rigidity and help dissipate heat to keep the barrel cooler. Both factors contribute to these barrel's strong resistance to accuracy drift caused by heat warpage. Plus, it just looks cool! The Faxon Flame Match Barrel for Glock 19® is meticulously machined from triple stress-relieved 416R stainless steel, then given a hard, black Nitride finish for superb resistance to surface wear. The muzzle has an 11° target crown ensures the bullet departs on a true trajectory.. Compatible with Gen 1-4 G19 pistols Available with a plain, unthreaded muzzle OR with ½"-28 tpi threads for compensator or sound suppressor installation 9mm SAAMI-spec chamber AND 1-10" twist conventional rifling handles any type of projectile - jacketed, heavy subsonics, even cast-lead practice bullets Non-reflective, anti-wear Nitride finish Best of all, the Faxon Flame Match Barrel for Glock 19® drops right into a factory-spec slide with no gunsmithing required. Better-than-factory tolerances ensure a consistent, secure lockup, too, further enhancing your prospects for tight groups.

Safety Instruction Guide for Faxon Flame Match Barrel for Glock 19®

Introduction

Thank you for choosing the Faxon Flame Match Barrel for your Glock 19®. This guide provides essential safety instructions to ensure safe and proper use of your new barrel. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure that you are in a safe environment when handling your firearm and its parts.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage.
- Do not use ammunition that is not compatible with your firearm or barrel specifications.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the barrel.
- Use only 9mm Luger ammunition with the Faxon Flame Match Barrel.
- Avoid using damaged or defective ammunition, including castlead practice bullets.
- Be aware of the potential for increased muzzle velocity and the effects this may have on recoil and accuracy.
- Ensure that any compensator or sound suppressor installed is compatible with the barrel's ½"28 tpi threads.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock 19® is unloaded and the magazine is removed.
- Gather necessary tools, including a barrel wrench if needed.

2. Installation:

- Remove the slide from the frame of the Glock 19®.
- Remove the factory barrel by pushing down on the recoil spring and lifting the barrel out.
- Insert the Faxon Flame Match Barrel into the slide, ensuring it is seated properly.
- Reinstall the recoil spring and ensure everything is secure.
- Replace the slide onto the frame.

3. Usage:

- Load your firearm with compatible 9mm Luger ammunition.
- Conduct a function check to ensure the firearm operates correctly with the new barrel.
- Fire the firearm in a safe and controlled environment, adhering to all local laws and regulations.

Disposal Instructions

- Dispose of the barrel and any related components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste. Check for local recycling or hazardous waste disposal options.
- Ensure that any hazardous materials (e.g., lubricants or cleaning agents) are disposed of properly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Faxon Flame Match Barrel for Glock 19®, please contact the manufacturer or your dealer directly. They can provide additional support and information.

Thank you for your attention to safety. Enjoy your new Faxon Flame Match Barrel responsibly!
