Build Your Dream Rifle Without a Nightmare Price Tag

Howa 1500 Barreled Actions are the perfect platform for a quality precision rifle build, at an affordable cost. This Howa Barreled Mini Action features a hammer forged barrel, detachable magazine, 5/8"-24 threaded muzzle, and precise HACT two stage trigger. The receiver and bolt are forged steel, with the bolt featuring an integral bolt handle. Bolt faces are square to the barrel chamber and bolt faces have excellent contact with the receiver recesses. M16 style extractor ensure positive extraction and function. Factory barrels are hammer forged with headspace set to exacting standards. The HACT two stage trigger has a crisp, light and consistent pull. The included 3 position safety allows for the bolt to be locked, as well as put on safe when unloaded. Scope bases are available from a variety of quality manufacturers.

Safety Instructions for the Howa 1500 6.5 Grendel Mini Action

Introduction

Thank you for choosing the Howa 1500 6.5 Grendel Mini Action. This product is designed for precision shooting and is built with safety as a priority. It is important to follow these safety instructions to ensure safe handling and operation of your firearm.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store the firearm unloaded and securely locked when not in use.
- Ensure that you are familiar with the local laws regarding firearm ownership and usage.
- Use only the recommended ammunition for this firearm.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- **Child Safety:** Keep firearms out of reach of children. Use a secure lock or safe for storage.
- **Environment:** Only use the firearm in designated shooting areas, away from people and structures.
- **Shooting Position:** Always maintain a stable shooting position to prevent accidents.
- **Hearing Protection:** Use appropriate hearing protection when shooting to prevent hearing damage.
- **Eye Protection:** Wear safety glasses to protect your eyes from debris and projectiles.
- **Handling:** Never attempt to modify or alter the firearm without consulting a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of Scope:

- Ensure the firearm is unloaded before beginning installation.
- Use quality scope bases from reputable manufacturers.
- Follow the manufacturer's instructions for mounting the scope securely.

2. Loading the Firearm:

- Use the detachable magazine to load ammunition.
- Ensure the magazine is inserted fully into the magazine well.

3. Firing the Firearm:

- Check the safety to ensure it is in the "fire" position.
- Aim at your target and ensure the area is clear.
- Press the trigger smoothly to fire.

4. PostShooting Protocol:

- After shooting, always engage the safety.
- Unload the firearm and inspect the chamber to ensure it is clear.

5. Maintenance:

- Clean the firearm regularly to ensure optimal performance.
- Follow the manufacturer's guidelines for cleaning and maintenance.

Disposal Instructions

- Dispose of any unused ammunition according to local regulations.
- When disposing of the firearm, contact local authorities or a licensed dealer for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Howa 1500 6.5 Grendel Mini Action, please refer to the manufacturer's support resources or your local authorized dealer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Howa 1500 6.5 Grendel Mini Action. Always prioritize safety and responsible handling of your firearm.
