# BCMGunfighter Picatinny Quick Detachable Sling Mount Safety Instructions

## Introduction

Thank you for choosing the BCMGunfighter Picatinny Quick Detachable Sling Mount from Bravo Company. This product is designed to provide a secure attachment point for your tactical sling while ensuring minimal rail space usage. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always inspect the sling mount before each use to ensure it is free from damage or wear.
- Ensure that the sling mount is properly installed according to the instructions provided.
- Use the sling mount only with compatible sling swivels as specified in the product description.
- Keep this product out of reach of children and individuals who may not understand its intended use.
- In the event of a product recall, follow the instructions provided by the manufacturer or relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the sling mount as specified by the manufacturer.
- Avoid using the sling mount in conditions that may compromise its integrity, such as extreme temperatures or exposure to chemicals.
- Ensure that the sling is properly attached to the mount before use to prevent accidental detachment.
- Be cautious when using the sling mount in a tactical environment; ensure that it does not snag on equipment or other objects.
- If you notice any signs of damage, such as cracks or deformation, discontinue use immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Select a Picatinny rail slot on your firearm where you wish to install the sling mount.
- Align the sling mount with the selected rail slot and ensure that the lugs are positioned correctly.
- Press down firmly on the mount to secure it in place, ensuring that it locks into the rail.
- Verify that the mount is securely attached by attempting to move it; it should not shift or detach.

### 2. Usage:

- Attach your compatible sling swivel to the quickdetach pushbutton on the sling mount.
- Ensure that the swivel is locked in place before using the sling.
- To detach the sling, press the quickdetach button and remove the swivel from the mount.

### 3. Maintenance:

- Regularly clean the sling mount to prevent dirt and debris buildup, which can affect its performance.
- Inspect the mount periodically for any signs of wear or damage.

## Disposal Instructions

- Do not dispose of this product in regular household waste.
- Follow local regulations for the disposal of metal products.
- If applicable, recycle the product according to local recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the BCMGunfighter Picatinny Quick Detachable Sling Mount, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website.

**Note:** This safety instruction guide is compliant with the EU General Product Safety Regulation (GPSR) and aims to ensure the safe use of the BCMGunfighter Picatinny Quick Detachable Sling Mount. Always prioritize safety and follow the guidelines provided.
