## WWII Fighter Plane Nose Art Inspired AR Lower

Inspired by the P-40 Warhawk, one of the US' most-produced fighter planes when WWII began, the Sharps Bros. AR-15 Gen 2 Hellbreaker Lower Receiver provides individuality and diversity in the market. "Nose art" became a popular military tradition and a way for squadron's to express individuality. This was something Sharps Bros. wanted to bring to the AR Market. The fierce Hellbreaker lines are where looks meet performance since it is extremely intricate work to machine all of the details present in the AR-15 Gen 2 Hellbreaker Lower Receiver. Machined from 7075-T6 aluminum Hard coat anodized finish Full compatibility with all mil-spec internal parts Full compatibility with all other aftermarket mil-spec upper receivers Works with GI Standard Issue Mags as well as Magpul Pmags Multi caliber Weighs 8.9 oz The Hellbreaker includes a threaded bolt catch pin, improved styling, and a reduced weight at just 8.9 ounces. The Lower Receiver features an oversized, integral trigger guard, beveled magazine flare for quick and efficient loading, and is made with a hard coat anodized finish. The Sharps Bros. AR-15 Gen 2 Hellbreaker Lower Receiver is great way to make your next AR build standout from the rest!

# Safety Instruction Guide for AR15 GEN 2 Hellbreaker Lower Receiver

## Introduction

Thank you for choosing the AR15 GEN 2 Hellbreaker Lower Receiver by Sharps Bros. This guide provides essential safety instructions, general guidelines, and specific precautions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you are of legal age to purchase and use this product in your jurisdiction.
- Always handle firearms and firearm components with caution and respect.
- Store the lower receiver and any associated components in a safe location, away from children and unauthorized users.
- Regularly inspect the lower receiver for any signs of damage or wear. Do not use if damaged.
- Always follow the manufacturer's specifications and guidelines for installation and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Ensure that the firearm is unloaded before installation or maintenance of the lower receiver.
- Do not modify the lower receiver in any way that may compromise its safety or functionality.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- If you are inexperienced or unsure about the installation or use of the lower receiver, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench, punch set, and any other required tools.
- Ensure that you have a clean and organized workspace.

### 2. Installation Steps

- Confirm that the lower receiver is free of any obstructions and is in good condition.
- Align the lower receiver with the upper receiver, ensuring all pins and components fit properly.
- Insert the takedown pins to secure the upper and lower receivers together.
- Install the trigger assembly according to the manufacturer's instructions.
- Attach the buffer tube and stock, ensuring they are secured tightly.
- Check the functionality of the trigger and safety mechanisms before use.

### 3. PostInstallation Checks

- Conduct a thorough inspection of the assembled firearm to ensure all components are correctly installed and functioning.
- Test the firearm in a safe environment to ensure proper operation.

## **Disposal Instructions**

- Dispose of the lower receiver and any associated components in accordance with local regulations.
- Contact your local waste management authority for guidance on the disposal of firearm components.
- Never dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**

For any further inquiries or support regarding the AR15 GEN 2 Hellbreaker Lower Receiver, please contact the manufacturer or your local dealer.

By following these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your AR15 GEN 2 Hellbreaker Lower Receiver. Thank you for your attention to safety and responsible firearm ownership.
