Safety Instruction Guide for AR15 GEN 2 THE JACK LOWER RECEIVER BLACK

Introduction

Thank you for choosing the Sharps Bros. AR15 Gen 2 The Jack Lower Receiver. This product is designed to provide exceptional performance and individuality in the AR market. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children.
- Use only compatible parts and accessories with the AR15 Gen 2 The Jack Lower Receiver.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Use only milspec internal parts and milspec upper receivers for compatibility.
- Ensure that all magazines used are in good condition and functioning properly.
- Be aware of the multicaliber capabilities of the lower receiver and use the appropriate ammunition.
- Always wear proper eye and ear protection when handling or firing the firearm.
- Do not attempt to modify or alter the lower receiver beyond manufacturer specifications.

Instructions for Installation and Usage

• Installation:

1. Ensure the work area is clean and free from distractions.
2. Gather all necessary tools and components before beginning the installation.
3. Carefully follow the manufacturer's instructions for installing the lower receiver onto the upper receiver.
4. Install the threaded bolt catch pin securely.
5. Attach the oversized, integral trigger guard and ensure it is properly fitted.
6. Verify that the beveled magazine flare is correctly installed for easy magazine insertion.

• Usage:

1. Load the firearm only when you are ready to shoot.
2. Check that the firearm is in good working condition before each use.
3. Always engage the safety mechanism when not in use.
4. Be aware of your surroundings and ensure a clear line of sight before firing.
5. After use, clean and maintain the firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the lower receiver in accordance with local regulations on hazardous materials.
- Do not dispose of the lower receiver in regular household waste.
- If the product is damaged or no longer functional, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please reach out to your local authorized dealer or manufacturer.

Note: This safety instruction guide is intended to provide essential safety information and is not a substitute for professional training in firearm safety and operation. Always seek guidance from qualified professionals when handling firearms.
