

PREMIUM HANDGUN DIE SETS - REDDING 45 COLT PREMIUM HANDGUN DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Redding Premium Handgun 3-Die Set mate a Titanium Carbide-sizing die, a newly designed expander die containing the unique Redding expander plug now coated in TiN, Titanium Nitride for added surface hardness, lubricity and durability. The TiN coating will also reduce brass build up on the expander as well, an important improvement for high volume reloaders. The Redding Expander contains a unique series of processes it provides as it travels into the case itself. First a radius on its base eases entry into the case mouth. Next a parallel expander section expands and true's the case internally to create a perfect bearing surface for the bullet as it is seated. This also adds a more uniform bullet pull and start pressure as well. Next is a small step, to properly align the bullet with the centerline of the cartridge case. This positions the bullet for proper contact with the seating micrometer, adding uniformity during actual seating process. Lastly, a flare is the final step on the Redding expander plug to further open the case mouth when using cast bullets so that they do not shave lead during the seating process. The final die in the set is a Seating Die, which has the added accessory Bullet Seating Micrometer for unmatched seating depth control and precision. This die also contains either a taper or roll crimp for the appropriate cartridge. All three dies in the set also feature an enhanced lead-in for ease of use with progressive reloading presses.

Attributes

- Name: [REDDING 45 COLT PREMIUM HANDGUN DIE SET](#)
- Manufacturer: [REDDING](#)
- Product no.: 100028776
- Mfr. No.: 66191

Safety Instruction Guide for Redding Premium Handgun Die Sets

Introduction

Thank you for choosing the Redding Premium Handgun Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure safe use of the Redding Premium Handgun Die Set by following these guidelines:
 - Always handle reloading equipment with care and respect.
 - Keep the die set out of reach of children and vulnerable individuals.
 - Regularly inspect the die set for any signs of wear or damage.
 - Use the die set only for its intended purpose, which is reloading .45 Colt cartridges.
 - Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Before using the Redding Premium Handgun Die Set, consider the following safety precautions:
 - Always wear appropriate eye protection when reloading ammunition.
 - Ensure that your workspace is clean, dry, and welllit.
 - Use proper tools and equipment as recommended by the manufacturer.
 - Avoid distractions while reloading to maintain focus and safety.
 - Store components, such as primers and powders, in a safe and secure manner.
 - Handle all materials, especially primers and gunpowder, with care to avoid accidental ignition.

Instructions for Installation and Usage

- Follow these instructions for the proper installation and usage of the Redding Premium Handgun Die Set:
 - 1. Installation:**
 - Ensure your reloading press is securely mounted.
 - Install the sizing die into the press according to the manufacturer's instructions.
 - Follow with the expander die and finally the seating die, ensuring each die is tightened securely.
 - 2. Using the Dies:**
 - Begin by sizing your brass cases using the sizing die.
 - Use the expander die to expand the case mouth for bullet seating.
 - Finally, use the seating die to seat the bullet to the desired depth.
 - Regularly check and adjust the settings for consistent results.
 - 3. PostUse:**
 - Clean the dies after use to prevent residue buildup.
 - Store the die set in a safe and dry location.

Disposal Instructions

- Dispose of any damaged or worn components of the Redding Premium Handgun Die Set responsibly. Follow local regulations for the disposal of metal and plastic materials. Do not dispose of any reloading components, such as primers or gunpowder, in regular waste. Instead, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

- For further support and safety inquiries regarding the Redding Premium Handgun Die Set, please refer to the contact point provided with your product documentation. It is important to have access to assistance for any safety concerns or productrelated questions.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Redding Premium Handgun Die Set. Always prioritize safety and remain informed about best practices in reloading. Thank you for choosing Redding, and happy reloading!
