

PREMIUM DELUXE DIE SETS - REDDING 224 VALKYRIE PREMIUM DELUXE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Premium Deluxe rifle die sets are an upgraded die set for reloaders looking for added precision. The upgrades include a Carbide Size button in the full length sizing die, making resizing smooth and effortless. The set also comes with Redding's Bullet Seating Micrometer on the seating dies, allowing for incremental adjustment of the bullet seating depth. This dies set includes a Full Length sizing die with Carbide sizing button, Bullet Micrometer Seating Die, and standard Neck Sizing Die.

Safety Instruction Guide for Redding Premium Deluxe Die Sets

Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the die set.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, while reloading.
- Keep the die set out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use of the die set can lead to injuries or accidents.
- Ensure that the die set is compatible with the specific cartridge you are using (224 Valkyrie).

- **Instructions for Avoiding Hazards:**

- Always inspect the die set for damage before use.
- Do not exceed recommended load specifications.
- Use the die set only for its intended purpose—reloading ammunition.
- Avoid wearing loose clothing or jewelry that could become caught in machinery.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**

1. Read the manual thoroughly before beginning the installation process.
2. Ensure that your reloading press is properly set up and securely mounted.
3. Install the Full Length sizing die with Carbide sizing button into the press following the manufacturer's guidelines.
4. Attach the Bullet Micrometer Seating Die to the press, ensuring it is properly aligned.
5. Install the standard Neck Sizing Die as per the instructions provided.

- **Usage:**

- Always start with clean, dry cases.
- Use the Carbide Size button to resize cases smoothly and effortlessly.
- Adjust the Bullet Micrometer Seating Die for precise bullet seating depth as required.
- Regularly check the die set for wear and tear, and replace components as necessary.

Disposal Instructions

- Dispose of any damaged or worn components of the die set responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the die set in regular household waste.

Contact Information for Further Support

For further assistance or inquiries regarding safety or product issues, please contact the manufacturer's customer service. Ensure to have your product details and any relevant information ready for a quicker response.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with your Redding Premium Deluxe Die Set. Thank you for your attention to safety!
