Safety Instruction Guide for PREMIUM DELUXE DIE SETS REDDING 6MM CREEDMOOR

Introduction

Thank you for choosing the Redding Premium Deluxe Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the die set by following all instructions and guidelines. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official channels. In case of a recall, remedies will be provided free of charge.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent accidental harm.
- **EU Contact Point:** For safety inquiries, refer to the official EU contact points.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the user manual before using the die set.
- **Protective Gear:** Wear appropriate protective gear, including safety glasses and gloves, while using the die set.
- **Check for Damage:** Inspect the die set for any signs of damage or wear before use. Do not use damaged equipment.
- **Work Area:** Ensure that your work area is clean, dry, and welllit. Remove any unnecessary items from the workspace.
- **Proper Handling:** Handle the die set with care to avoid injury. Use tools as intended and avoid forcing components.
- **Storage:** Store the die set in a secure location away from children and unauthorized users.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the die set from its packaging. Ensure all components are present: Full Length sizing die with Carbide sizing button, Bullet Micrometer Seating Die, and standard Neck Sizing Die.
2. **Installation:**
 - Mount the die set in a reloading press according to the manufacturer's instructions.
 - Ensure that the dies are securely fastened and properly aligned.
3. **Usage:**
 - **Full Length Sizing Die:**
 - Use the Carbide sizing button for smooth resizing of cases.
 - Adjust the die to the desired depth according to your reloading specifications.
 - **Bullet Micrometer Seating Die:**
 - Use the micrometer for precise adjustments of bullet seating depth.
 - Make incremental adjustments to achieve the desired seating depth.
 - **Neck Sizing Die:**

- Follow the manufacturer's guidelines for neck sizing to ensure proper fit and function.
4. **PostUse:** After using the die set, clean all components to prevent contamination and ensure longevity. Store the die set in its original packaging or a safe container.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set becomes unusable, check local guidelines for the disposal of metal and plastic components.

Contact Information for Further Support

For additional assistance or inquiries regarding the Redding Premium Deluxe Die Set, please refer to the official contact points provided by the manufacturer or retailer.

By following these guidelines, you can ensure a safe and effective reloading experience with your Redding Premium Deluxe Die Set. Thank you for your attention to safety, and happy reloading!
