

# AR-15 MIKE-9 ULTRALIGHT BARREL 9MM - ULTRALIGHT BARREL 9MM 8.5" 1-10 BLACK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

## Lightens Up Your Pistol Caliber Carbine

So much of the weight of any carbine is often found in the barrel, and this fact led to many consumers clamoring for an ultralight barrel for their 9mm carbines and AR pistols. Foxtrot Mike Products stepped up with its Mike-9 9mm Ultralight Barrels. Each of Foxtrot Mike Products' Mike-9 9mm Ultralight Barrels are machined from 41V50 chrome-moly vanadium steel and are finished to provide match-grade accuracy and precision, thanks to a button-rifling process that cuts a 1:10-inch twist rate designed to stabilized all 9mm projectiles. All-black finish Barrel length: 16, 8.5 or 7 inches Features 1/2-36 TPI threaded muzzle Salt bath nitrided QPQ/Melonite finish Each barrel is machined with 1/2-36 TPI muzzle threads, designed for compatibility with most of today's muzzle devices and suppressors. Foxtrot Mike Products Mike-9 9mm Ultralight Barrels are built to work with all Colt- and Glock-style 9mm upper receivers and are machined with integrated feed ramps.

# Safety Instruction Guide for AR15 MIKE9 ULTRALIGHT BARREL 9MM

## Introduction

Thank you for choosing the AR15 MIKE9 ULTRALIGHT BARREL 9MM. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Ensure that you are familiar with your firearm and its operation before use.
- Use only the recommended ammunition type specified for your firearm.
- Regularly inspect your firearm and barrel for any signs of damage or wear.
- Always wear appropriate eye and ear protection while shooting.
- Do not modify the barrel or any other part of your firearm without consulting a qualified gunsmith.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the barrel is properly installed on your firearm before use.
- Verify that the barrel is compatible with your firearm's upper receiver.
- Be aware of the 1:10 twist rate of the barrel, which is designed for stabilizing 9mm projectiles.
- Use only muzzle devices and suppressors that are compatible with 1/236 TPI threads.
- Avoid using the barrel with ammunition that exceeds the specified caliber (9mm Luger).
- Always check for obstructions in the barrel before firing.
- Do not exceed the recommended barrel length for your specific firearm model.
- If you experience any malfunctions or unusual behavior while using the barrel, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation of the Barrel:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing barrel from the upper receiver according to the manufacturer's instructions.
- Align the new Mike9 9mm Ultralight Barrel with the upper receiver.
- Securely fasten the barrel using the appropriate tools, ensuring it is properly torqued to the manufacturer's specifications.
- Verify that the muzzle threads are clean and free of debris before attaching any muzzle devices.

### 2. Usage of the Barrel:

- Load the firearm with the appropriate 9mm ammunition.
- Check the firearm for proper function before firing.
- Fire in a safe environment, following all local laws and regulations.
- Monitor the performance of the barrel during use and inspect for any signs of wear or damage after shooting.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, contact a qualified professional for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the AR15 MIKE9 ULTRALIGHT BARREL 9MM, please refer to the manufacturer's contact information provided with your purchase.

This safety instruction guide is designed to help you use the AR15 MIKE9 ULTRALIGHT BARREL 9MM safely and effectively. Your safety is paramount, and following these guidelines will help ensure a positive experience with your product. Thank you for your attention to these important safety measures.
