Calculates Your Shooting Solution - Out to a Mile

Long-range shooting has become more popular in recent years, and shooters are increasingly turning to high-power optics that allow for accurate aiming at distance. But what if your riflescope could actually tell you where to aim, out to a mile? That's exactly what the Revic Optics PMR 428 4.5-28x56mm Smart Riflescope is designed to do. When aiming at a target with the Revic Optics PMR 428 4.5-28x56mm Smart Riflescope, all users have to do is pair the optic with a smartphone-based calculator app. The scope features built-in sensors that measure direction, incline, cant, pressure and temperature and send all those variables to the app for calculation. Powered by AAA battery Tube size: 34mm Weight: 47 ounces So, what do shooters have to do when using the Revic Optics PMR 428 4.5-28x56mm Smart Riflescope? Just dial the elevation turret until the Heads-Up Display reads the correct target distance. Once distance is found, the scope reticle will indicate the correct hold point. All that's needed then is to pull the trigger!

Attributes

- Name: [REVIC OPTICS 4.5-28X56MM FFP MIL RX1 GRAY RIGHT HAND](#)
- Manufacturer: [REVIC OPTICS](#)
- Product no.: 100032893
- Mfr. No.: E2606
- Battery: AAA
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.30"
- Finish: Gray
- Focal Plane: First
- Illumination: Yes
- Length: 14"
- Max Magnification: 28x
- Min. Magnification: 4.5x
- Model Number: PMR 428

- Objective Size: 56mm
- Reticle: MIL RX1
- Tube Size: 34mm
- Weight: 47 oz
- Delivery weight: 2.134kg
- Shipping height: 133mm
- Shipping width: 133mm
- Shipping length: 464mm
- UPC: 855666005100

Item details

This product contains a battery.
US export classification: 0A504.a

PMR 428 4.528X56MM SMART RIFLE SCOPE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Revic Optics PMR 428 4.528x56mm Smart Riflescope. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your riflescope. It is important to read and understand these instructions before using the product.

General Safety Guidelines

- Ensure that all users are familiar with the operation of the riflescope and its features.
- Always treat your riflescope as if it is loaded, even when not in use.
- Keep the riflescope out of reach of children and unauthorized users.
- Use the riflescope only for its intended purpose. It is designed for longrange shooting.
- Be aware of your surroundings and ensure a clear line of sight before aiming and shooting.
- Do not use the riflescope in conditions that may impair your vision or judgment, such as during heavy rain, fog, or extreme temperatures.
- Regularly inspect the riflescope for any signs of damage or wear. Do not use if damaged.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the riflescope.
- Ensure that the riflescope is securely mounted on the firearm before use.
- Familiarize yourself with the controls and features of the riflescope, including the elevation turret and the HeadsUp Display.
- Keep your finger off the trigger until you are ready to shoot.
- Do not rely solely on the electronic features of the riflescope. Always be prepared to make manual adjustments based on your shooting environment.
- Avoid using the riflescope while under the influence of alcohol or drugs.
- Ensure that the area around you is safe and that you have a proper backstop before firing.

Instructions for Installation and Usage

1. Installation:

- Mount the riflescope onto the firearm using the appropriate mounting rings and base.
- Ensure that the scope is level and securely tightened to prevent movement during use.
- Connect the riflescope to the smartphonebased calculator app as per the manufacturer's instructions.

2. Usage:

- Power the riflescope using a AAA battery, ensuring the battery is installed correctly.
- Turn on the riflescope and calibrate it using the builtin sensors for direction, incline, cant, pressure, and temperature.
- Pair the riflescope with your smartphone app to access the HeadsUp Display.
- Dial the elevation turret until the display indicates the correct target distance.
- Once the distance is confirmed, use the reticle to identify the correct hold point.
- After ensuring a clear line of sight, pull the trigger to shoot.

Disposal Instructions

- Dispose of the riflescope and any batteries in accordance with local regulations.
- Do not throw batteries in the household waste. Instead, take them to a designated recycling point.
- Ensure that any electronic components are disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any inquiries or concerns regarding the Revic Optics PMR 428 4.528x56mm Smart Riflescope, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can help ensure that your experience with the Revic Optics PMR 428 4.528x56mm Smart Riflescope is safe and enjoyable. Always prioritize safety and responsible use.
