PHANTOM SNIPER PACK Safety Instruction Guide

Introduction

Thank you for choosing the Eberlestock Phantom Sniper Pack. This guide provides essential safety information and instructions to ensure the safe and effective use of your pack. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the pack is used only for its intended purpose as a backpack for carrying gear and equipment.
- Regularly inspect the pack for any signs of wear or damage before use.
- Do not exceed the weight limit of 10.5 pounds to maintain safe usage.
- Keep the pack out of reach of children to prevent accidents.
- Always secure your gear properly to avoid shifting during movement, which could lead to injury.
- Be aware of your surroundings when using the pack, especially in crowded or outdoor areas.

Specific Safety Precautions for Use

- When using the Backscabbard design to carry a rifle, ensure that the firearm is unloaded and secured properly.
- Avoid placing sharp or heavy objects in exterior pockets that may cause injury if the pack is dropped or mishandled.
- If using the pack in wet conditions, ensure that the G1RC pullout rain cover is deployed to protect your gear.
- When adjusting the straps and compartments, ensure that they are securely fastened to prevent accidental release.
- If carrying water, ensure the water reservoir is sealed to avoid leaks.

Instructions for Installation and Usage

Setting Up the Pack

1. **Unpacking:** Carefully remove the pack from its packaging. Check for any damage or missing components.
2. **Adjusting Straps:**
 - Loosen all straps before putting on the pack.
 - Slip the shoulder straps over your shoulders and adjust them so that the pack sits comfortably on your back.
 - Adjust the chest strap to secure the pack in place.
3. **Loading Gear:**
 - Open the main compartment and organize your gear using the fold-down dividers.
 - Use the interior pockets for smaller items to keep them accessible.
 - Attach any MOLLE-compatible gear to the storage racks as needed.
4. **Water Reservoir:**
 - Fill the water reservoir with clean water and ensure it is securely closed.
 - Attach the reservoir to the designated compartment in the pack.

Using the Pack

- When hiking or moving, ensure that the pack is balanced and not overloaded.
- If carrying a rifle, ensure it is properly secured in the Backscabbard and that the safety is engaged.
- Take regular breaks to adjust the pack straps and check for comfort.

Disposal Instructions

- Dispose of the pack responsibly at the end of its life cycle.
- If the pack is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the pack in regular household waste if it contains any hazardous materials.
