

AR-15 9MM BOLT CARRIER GROUP FOR GLOCK™ AND COLT - FAXON FIREARMS AR-15 9MM COMPLETE BOLT FDE

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Engineered for Superb Reliability & Long Service Life in Pistol-Caliber ARs

The entire Faxon Firearms 9mm AR-15 Full-Mass Bolt / Carrier Group is machined from a single billet of mil-spec 8620 carbon steel. Even the integral gas "key" is machined as part of the carrier - no fasteners to worry about working loose. Faxon also designed the 9mm AR-15 Full-Mass Bolt / Carrier Group to be compatible with lower receivers that use Colt-style stick mags and those configured for Glock® pistol mags. It also has the correct shroud length to trip the auto sear on full-auto rifles; has no impact on function of semi-autos. Fully heat-treated for hardness & wear-resistance QPQ salt-bath Nitride coated for lubricity and corrosion resistance Easy-to-remove weight pinned in place can be removed for compatibility with all buffer systems 15 oz. wt To avoid slam-fires, the 9mm AR-15 Full-Mass Bolt / Carrier Group's firing pin is captured with a dedicated pin and spring. Extractor is easily serviced and contoured for consistent purchase on the case rim for reliable extraction.

Safety Instruction Guide for AR15 9MM Bolt Carrier Group

Introduction

Thank you for choosing the Faxon Firearms AR15 9MM Bolt Carrier Group. This guide provides important safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used in accordance with all safety guidelines.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not modify the product or use it in any manner not specified by the manufacturer.
- Avoid using the product with incompatible ammunition or components.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- If you experience any malfunctions, stop using the product immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing bolt carrier group from the upper receiver.
- Insert the Faxon Firearms AR15 9MM Bolt Carrier Group into the upper receiver.
- Ensure the group is securely seated and properly aligned.
- Reassemble any components removed during installation.

2. Usage:

- Load the firearm with compatible 9mm ammunition.
- Ensure the firing pin is captured and functioning properly.
- Test the extractor for reliable extraction.
- Follow all standard operating procedures for firearm usage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Ensure the product is rendered inoperable before disposal.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For questions regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly. Ensure you have the product model and any relevant details ready for assistance.

By following these guidelines and instructions, you will help ensure your safety and the safety of others while using the Faxon Firearms AR15 9MM Bolt Carrier Group. Thank you for your attention to these important safety measures.
