

1911 X-TAC ELITE FULL SIZE - 1911 X-TAC ELITE 45 ACP FULL SIZE AMBI

The legendary Wilson Combat X-TAC tread pattern is known for rock solid traction and high round count shooting comfort. Coupled with performance options like our reload-enhancing one-piece Bullet Proof® Magwell and carry options like the concealment hammer and grip safety the X-TAC Elite has all the right custom features and striking good looks. Other options like perfectly executed top and rear of slide serrations cut down glare on bright range days. Extra detail is lavished on the X-TAC Elite slide with machined carry cuts, ball endmill cuts and a heavy machined bottom slide chamfer that enhances cosmetics, streamlines your pistol's profile and reduces sharp edges. The bi-directional, X-TAC frontstrap and slide treatment offer enhanced grip and improved durability over traditional checkering in severe and hard-use environments. Scientifically designed by Bill Wilson to work with dry or wet hands and with or without tactical gloves, the X-TAC pattern redefines secure shooting comfort and gunhandling without the coarse, painful nature of other grip treatments. In tandem with our aggressive G-10 Starburst grips, the X-TAC tread pattern locks securely into the firing hand and will reduce muzzle flip without snagging on clothes or cover garments. The X-TAC Elite has all of the same Wilson Combat perfected internal quality as our flagship CQB pistols with guaranteed accuracy, enhanced reliability and the highest quality parts and assembly in the industry. All of this is backed up by Wilson Combat's industry leading customer service policy where we ensure your satisfaction with a Wilson Combat firearm product forever with no strings attached. Safety Instruction Guide for the 1911 XTAC ELITE FULL SIZE

Introduction

Thank you for choosing the 1911 XTAC ELITE FULL SIZE. This firearm is designed with advanced features for enhanced performance and safety. To ensure your safety and the safety of others, please read this guide thoroughly before using the product. It outlines important safety guidelines, specific precautions, installation instructions, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly check the firearm for any signs of damage or malfunction.
- Use only the recommended ammunition type (45 ACP) for this firearm.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never use a firearm under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the magazine is removed and the chamber is empty before handling the firearm.
- Do not place your finger on the trigger until you are ready to shoot.
- Avoid using the firearm in wet or slippery conditions unless you are trained in handling firearms in such environments.
- Be cautious of the muzzle flip; maintain a firm grip to control the firearm during firing.
- Regularly clean and maintain the firearm to ensure optimal performance and safety.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation for Use:

- Ensure that the firearm is stored safely and that you are in a secure environment.
- Inspect the firearm to confirm it is clean and free of obstructions.

2. Loading the Firearm:

- Use only 45 ACP ammunition.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the slide to chamber a round.

3. Firing the Firearm:

- Assume a proper shooting stance with both feet shoulderwidth apart.
- Grip the firearm firmly with both hands, ensuring your finger remains off the trigger until ready to shoot.
- Aim at your target and gently squeeze the trigger to fire.

4. Unloading the Firearm:

- Remove the magazine by pressing the magazine release button.
- Pull back the slide to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

5. Cleaning and Maintenance:

- After use, clean the firearm according to the manufacturer's guidelines.
- Use appropriate cleaning tools and solutions designed for firearms.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- If you need to dispose of any ammunition, contact a local law enforcement agency or a licensed firearms dealer for safe disposal methods.
- Do not dispose of the firearm in regular household waste.
