

4000/5000 SERIES TACTICAL MOLLE CARRY CASE BERRY COMPLIANT - TYR TACTICAL 4000/5000 SERIES TACTICAL MOLLE CASE, MULTICAM

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

A Solid Carrying Case that Fits Most Kestrel Units

If you're out in the field with your Kestrel, it's important to keep it secured and protected until you need it for that perfect, first-round hit. To provide that protection, the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case is a must-have option for your range or field kit. Each TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case is constructed from 500-Denier cordura nylon combined with 200-Denier Kevlar, ensuring that it'll stand up to tearing and abrasion. This pack is designed specifically for use with Kestrel meters, coming equipped with a secured closure that wraps around the globe stalk found on the Kestrel Heat Stress Tracker. A number of colors are available for the unit, including black, coyote tan, multicam and olive drab.

Safety Instructions for the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case

Introduction

Thank you for choosing the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case. This product is designed to provide secure and protective storage for your Kestrel meter while ensuring ease of use in various environments. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

To ensure your safety and the longevity of the product, please follow these general safety guidelines:

- Ensure that the carry case is used only for its intended purpose.
- Regularly inspect the case for any signs of wear, damage, or defects before each use.
- Keep the carry case away from extreme temperatures and moisture to prevent material degradation.
- Store the carry case in a cool, dry place when not in use.
- Be aware of your surroundings while using the case to avoid accidents.

Specific Safety Precautions for Use

When using the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case, please adhere to the following precautions:

- Ensure that the Kestrel meter is securely fastened within the case before transporting.
- Avoid exposing the carry case to sharp objects that could puncture or tear the fabric.
- Do not overload the carry case with excessive weight, as this may compromise its structure and functionality.
- Keep the carry case out of reach of children to prevent accidental injuries.
- If the case becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

To ensure safe and effective use of the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case, please follow these instructions:

1. Unpacking the Carry Case

- Remove the carry case from its packaging.
- Inspect the case for any visible damage or defects.

2. Securing Your Kestrel Meter

- Open the secured closure of the carry case.
- Place the Kestrel meter inside the case, ensuring it is properly aligned with the internal features.
- Close the secured closure, making sure it wraps around the globe stalk of the Kestrel Heat Stress Tracker.

3. Transporting the Carry Case

- Carry the case using the designated handles or straps.
- Ensure that the case is not exposed to harsh conditions during transport.

4. Cleaning and Maintenance

- Clean the exterior of the carry case using a damp cloth.
- Avoid using harsh chemicals or abrasive materials that could damage the fabric.
- Allow the case to air dry completely before storing.

Disposal Instructions

When the TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case reaches the end of its life cycle, please dispose of it responsibly:

- Check local regulations for proper disposal methods for synthetic materials.
- If possible, recycle the fabric components to reduce environmental impact.
- Do not dispose of the carry case in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer or your local distributor. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy using your TYR Tactical 4000/5000 Series Tactical MOLLE Carry Case safely and effectively!
