A Do-It-All Protective Kit for Your Ears and Eyes

When you're out shooting or hunting, it's critical to protect both your hearing and your eyes. Rather than finding earmuffs and protective glasses separately, why not buy both in one easy package? The Walkers Pro Low-Profile Folding Earmuff & Shooting Glasses Kit offers two must-have pieces of personal-protection equipment in one affordable package. Each Walkers Pro Low-Profile Folding Earmuff & Shooting Glasses Kit provides a passive pair of earmuffs complete with soft, PVC padding around the earcups, as well as a padded headband for all-day comfort. The protective sport glasses are constructed from high-grade polycarbonate designed to protect against high-velocity impacts. The glasses are ANSI-approved and feature yellow lenses that protect against bright sunlight. A pair of orange, foam earplugs are also included. The passive muffs alone provide a NRR of 22 decibels.

Safety Instruction Guide for PROLOW PROFILE FOLDING EARMUFF & SHOOTING GLASSES KIT

Introduction

Thank you for choosing the Walkers Pro LowProfile Folding Earmuff & Shooting Glasses Kit. This product is designed to provide essential protection for your hearing and vision while shooting or hunting. Please read and follow this safety instruction guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the earmuffs and glasses together to maximize protection.
- Ensure that the earmuffs fit snugly over your ears and the glasses fit securely on your face.
- Regularly inspect both the earmuffs and glasses for any signs of wear or damage.
- Keep the product out of reach of children when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs provide a Noise Reduction Rating (NRR) of 22 decibels. Always wear them in noisy environments to prevent hearing damage.
- **Eye Protection:** The shooting glasses are made from highgrade polycarbonate and are ANSIapproved. They protect against highvelocity impacts and bright sunlight.
- **Comfort:** Ensure the PVC padding on the earmuffs is not damaged to maintain comfort during extended use.
- **Cleaning:** Clean the earmuffs and glasses regularly with a soft, damp cloth. Avoid harsh chemicals that may damage the materials.
- **Storage:** Store the earmuffs and glasses in a cool, dry place when not in use to prevent deterioration.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Place the earmuffs over your ears, ensuring the soft padding covers your ears completely.
- Adjust the headband to fit comfortably on your head without causing pressure.

2. Wearing the Shooting Glasses:

- Position the glasses on your face, ensuring they sit comfortably on your nose and ears.
- Adjust the temples of the glasses for a secure fit.

3. Using the Earplugs:

- Insert the orange foam earplugs into your ears for additional hearing protection if needed.
- Ensure they are inserted properly to achieve the best noise reduction.

Disposal Instructions

- Dispose of the earmuffs and glasses in accordance with local regulations for electronic waste.
- If the product is damaged or no longer usable, do not throw it in regular trash. Check for recycling options.

in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the manufacturer or your retailer. Ensure you have the product information available for a quicker response.

Thank you for prioritizing safety with the Walkers Pro LowProfile Folding Earmuff & Shooting Glasses Kit. Enjoy your shooting or hunting experience while protecting your hearing and vision.
