A Prefit Barrel Designed to Enhance Your Tikka T3X

Want a new caliber or a fresh barrel in your Tikka T3X? Don't worry, you won't have to make a special trip to the gunsmith to redo your rifle. Thanks to the unique system found in the International Barrels Pre-Fit Barrel system, barrel-swap jobs that used to be performed only by gunsmiths can now be done right in your workshop safely and easily! Each International Barrels Pre-Fit Tikka T3X precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

Attributes

- Name: [INTERNATIONAL BARRELS 223 REMINGTON 1-8" TWIST 22" BARREL](#)

TIKKA T3X PREFIT PRECISION BARRELS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TIKKA T3X Prefit Precision Barrel. This guide provides essential safety instructions to ensure the safe use and installation of your new barrel. Please read this document carefully before use, and keep it for future reference.

General Safety Guidelines

- Ensure that the barrel is compatible with your Tikka T3X rifle model before installation.
- Always handle firearms responsibly and follow local laws and regulations.
- Store your barrel in a safe, dry place away from children and unauthorized users.
- Inspect the barrel for any signs of damage or defects before use.
- Use only suitable ammunition as specified for the 223 Remington caliber.
- Be aware that improper installation can lead to malfunctions or accidents.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the rifle is unloaded before attempting to install or replace the barrel.
- Do not attempt to modify the barrel or the rifle in any way that is not specified in this guide.
- If you experience any issues during installation or use, consult a qualified gunsmith.
- Keep your workspace clean and organized to prevent accidents.
- Be cautious of the barrel nut; ensure it is properly tightened to avoid any hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a barrel wrench, torque wrench, and headspace gauges.
- Ensure your workspace is clean and welllit.

2. Removing the Old Barrel:

- Unload the rifle and ensure it is safe to handle.
- Remove the action from the stock according to the manufacturer's instructions.
- Use the barrel wrench to loosen and remove the old barrel.

3. Installing the New Barrel:

- Thread the new TIKKA T3X Prefit Precision Barrel onto the action.
- Ensure it is aligned correctly.
- Use the torque wrench to tighten the barrel nut to the manufacturer's specified torque settings.

4. Checking Headspace:

- Use your headspace gauges to check the positioning of the barrel.
- Ensure that the headspace is within the safe limits.

5. Final Assembly:

- Reattach the action to the stock.

- Perform a final inspection to ensure everything is secure.

6. Testing:

- Always perform a function check before taking the rifle to the range.
- Ensure the rifle operates correctly and safely with the new barrel installed.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the barrel is ever deemed unsafe or damaged, consult local regulations for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to your local dealer or authorized service center. Always ensure that you have the most current information regarding safety recalls or product updates.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with your TIKKA T3X Prefit Precision Barrel!
