### A Prefit Barrel Designed to Enhance Your Tikka T3X

Want a new caliber or a fresh barrel in your Tikka T3X? Don't worry, you won't have to make a special trip to the gunsmith to redo your rifle. Thanks to the unique system found in the International Barrels Pre-Fit Barrel system, barrel-swap jobs that used to be performed only by gunsmiths can now be done right in your workshop safely and easily! Each International Barrels Pre-Fit Tikka T3X precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

### Attributes

- Name: [INTERNATIONAL BARRELS 6MM XC 1-8" TWIST 26" BARREL](#)

# TIKKA T3X PREFIT PRECISION BARRELS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TIKKA T3X Prefit Precision Barrels. This guide provides essential safety instructions and information for the proper installation and use of your new barrel. It is crucial to follow these guidelines to ensure safe operation and optimal performance of your firearm.

## General Safety Guidelines

- Ensure that all firearms are treated as if they are loaded at all times.
- Always follow the manufacturer's instructions and guidelines for safe handling and usage of firearms and accessories.
- Store your barrel and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of damage or wear before use.
- If you are unsure about any aspect of your firearm or barrel installation, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Use only the specified caliber (6 mm XC) with your TIKKA T3X barrel.
- Ensure that the barrel is properly threaded and secured before using the firearm.
- Always use appropriate headspace gauges to confirm correct positioning of the barrel.
- Be aware that some stocks may require inletting for clearance of the barrel nut; failure to do so may result in improper fit and potential hazards.
- Wear appropriate safety gear, including eye protection, when handling firearms or during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment, including headspace gauges, torque wrench, and a suitable work surface.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation:

- Remove the existing barrel from your Tikka T3X action.
- Thread the new International Barrels PreFit barrel onto the action.
- Check the positioning of the barrel using headspace gauges to ensure it is correctly seated.
- Once confirmed, tighten the barrel nut to the manufacturer's specified torque settings.

### 3. Usage:

- After installation, conduct a thorough inspection of the firearm to ensure everything is secure.
- Perform a function test of the firearm in a safe and controlled environment.
- Always follow safe shooting practices when using your firearm.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel or any component becomes damaged beyond safe use, consult local waste management

guidelines for proper disposal methods.

## Contact Information for Further Support

For further assistance or inquiries regarding your TIKKA T3X Prefit Precision Barrels, please refer to the manufacturer's website or contact customer support through the appropriate channels.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TIKKA T3X Prefit Precision Barrels. Thank you for your attention to safety.
