## A Prefit Barrel Designed to Enhance Your Tikka T3X

Want a new caliber or a fresh barrel in your Tikka T3X? Don't worry, you won't have to make a special trip to the gunsmith to redo your rifle. Thanks to the unique system found in the International Barrels Pre-Fit Barrel system, barrel-swap jobs that used to be performed only by gunsmiths can now be done right in your workshop safely and easily! Each International Barrels Pre-Fit Tikka T3X precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

## Attributes

- Name: [INTERNATIONAL BARRELS 6MM CREEDMOOR 1-8" TWIST 26" BARREL](#)
- Manufacturer: [INTERNATIONAL BARRELS](#)
- Product no.: 100037316

# Safety Instruction Guide for Tikka T3X PreFit Precision Barrels

## Introduction

Thank you for choosing the Tikka T3X PreFit Precision Barrel. This guide provides important safety instructions and information to ensure the safe use and installation of your new barrel. Please read this guide thoroughly before use and keep it for future reference.

## General Safety Guidelines

- Ensure that the barrel is installed by a qualified individual or follow the provided instructions carefully.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children.
- Use proper eye and ear protection when using firearms.
- Regularly inspect your barrel and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Tikka T3X PreFit Precision Barrel with compatible Tikka models: T3, T3x, and CTR.
- Ensure that the barrel is suitable for the 6mm Creedmoor cartridge.
- Verify that the barrel nut is tightened to the proper torque settings as specified in the installation instructions.
- Check headspace with appropriate gauges before using the firearm.
- Be aware that some stocks may require modification to allow clearance for the barrel nut.
- Do not use the barrel if any part is damaged or shows signs of wear.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including headspace gauges and a torque wrench.
- Ensure you are in a safe and secure environment to work on your firearm.

### 2. Removing the Old Barrel

- Unload the firearm completely and ensure it is safe to handle.
- Remove the existing barrel according to the firearm manufacturer's instructions.

### 3. Installing the New Barrel

- Thread the Tikka T3X PreFit Precision Barrel onto the action of your firearm.
- Use a barrel nut to secure the barrel in place.
- Check the positioning of the barrel using headspace gauges.
- Tighten the barrel nut to the specified torque settings to ensure a secure fit.

### 4. Final Checks

- Inspect the installation to confirm everything is secure.
- Perform a function check on the firearm without ammunition to ensure proper operation.

### 5. Usage

- When using the firearm, follow all standard firearm safety practices.
- Regularly clean and maintain your barrel to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the barrel and any associated components in accordance with local regulations.
- Ensure that any hazardous materials are disposed of properly to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact resources available on their official website or product packaging.

By following these guidelines, you can ensure the safe and effective use of your Tikka T3X PreFit Precision Barrel. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
