A Prefit Barrel Designed to Enhance Your Tikka T3X

Want a new caliber or a fresh barrel in your Tikka T3X? Don't worry, you won't have to make a special trip to the gunsmith to redo your rifle. Thanks to the unique system found in the International Barrels Pre-Fit Barrel system, barrel-swap jobs that used to be performed only by gunsmiths can now be done right in your workshop safely and easily! Each International Barrels Pre-Fit Tikka T3X precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

Attributes

- Name: [INTERNATIONAL BARRELS 6.5X47MM LAPUA 1-8" TWIST 26" BARREL](#)

TIKKA T3X PREFIT PRECISION BARRELS Safety Instruction Guide

Introduction

Thank you for choosing the TIKKA T3X Prefit Precision Barrel. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new barrel. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before attempting to install or use the TIKKA T3X Prefit Precision Barrel.
- Use the barrel only for its intended purpose and in accordance with the manufacturer's guidelines.
- Always prioritize safety when handling firearms. Treat every firearm as if it is loaded.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Inspect the barrel and firearm for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TIKKA T3X Prefit Precision Barrel with compatible Tikka T3 and T3x models.
- Ensure that the barrel is properly installed and secured before using the firearm.
- Use appropriate headspace gauges to check the positioning of the barrel during installation.
- Do not attempt to modify or alter the barrel or its components.
- Wear protective eyewear when handling or working with firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a barrel nut wrench and headspace gauges.
- Ensure your workspace is clean and free from distractions.

2. Installation:

- Remove the existing barrel from your Tikka T3 or T3x action following the manufacturer's instructions.
- Take the new TIKKA T3X Prefit Precision Barrel and thread the barrel nut onto the action.
- Carefully thread the barrel into place until it is snug.
- Use headspace gauges to check the positioning of the barrel. Adjust as necessary.
- Tighten the barrel nut to the manufacturer's specified torque settings.

3. PostInstallation:

- Inspect the installation to ensure everything is secure and properly aligned.
- Conduct a visual inspection to confirm that there are no obstructions or foreign objects in the barrel.
- Test fire the firearm in a safe and controlled environment to ensure proper function.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel becomes damaged or is no longer usable, consult local regulations for the proper disposal of firearms and firearm components.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the TIKKA T3X Prefit Precision Barrel, please contact your local retailer or manufacturer.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TIKKA T3X Prefit Precision Barrel. Thank you for prioritizing safety and compliance.
