## An Easy Conversion to .22 LR for Your Upper Receiver

In this Barrel and Bolt Group Kit, CMMG provides everything you need to convert your AR-15 into a dedicated .22 LR rimfire training platform. The barrel measures 4.5 inches long and is machined from 4140 chrome-moly steel, complete with a salt-bath nitride finish and a medium-taper profile. The barrel is optimized with a 1:16-inch twist that's compatible with most .22 LR bullets on the market, but the system runs best with 36-grain round-nose bullets. Each .22 LR Barrel and Bolt Group Kit from CMMG also features a .22 LR sporting chamber, as well as a threaded muzzle measuring 1/2-28 TPI thread pitch. CMMG recommends using a round-style hammer in place of a notched hammer to avoid function issues. The only other piece of the kit needed for a functioning system is a dedicated .22 LR magazine.

## Attributes

- Name: [CMMG AR-15 4.5 BARREL & BOLT GROUP KIT MT 4140CM 22LR](#)

# Safety Instruction Guide for CMMG AR15 4.5" Barrel & Bolt Group Kit

## Introduction

Thank you for purchasing the CMMG AR15 4.5" Barrel & Bolt Group Kit. This kit allows you to convert your AR15 into a dedicated .22 LR rimfire training platform. To ensure your safety and the proper functioning of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 before using this kit.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the product in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the kit for any signs of wear or damage before use.
- Use only compatible .22 LR ammunition as specified in the product description.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Use a roundstyle hammer instead of a notched hammer to avoid function issues.
- Ensure that the firearm is pointed in a safe direction at all times during installation and use.
- Do not attempt to use the kit without a dedicated .22 LR magazine.
- Be aware of your surroundings and ensure that a safe backstop is in place when firing.
- Use appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your AR15 is unloaded and safe before beginning the installation.
- Remove the existing barrel and bolt group from your AR15 following the manufacturer's instructions.
- Install the CMMG 4.5" barrel and bolt group by reversing the removal process, ensuring that all components are securely fastened.
- Attach the dedicated .22 LR magazine to the firearm.

### 2. Usage:

- Load the firearm with compatible .22 LR ammunition.
- Confirm that the safety is engaged before loading the firearm.
- Once ready to shoot, disengage the safety and fire in a controlled manner.
- After use, ensure the firearm is unloaded and clean the barrel and bolt group as necessary.

## Disposal Instructions

- Dispose of any unused or damaged ammunition according to local regulations.
- Do not dispose of the product in regular household waste. Contact your local waste management facility for proper disposal methods for firearms and firearm components.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the CMMG AR15 4.5" Barrel & Bolt Group Kit, please reach out to your local authorized dealer or manufacturer. Always ensure that you follow the manufacturer's guidelines for support.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your CMMG AR15 4.5" Barrel & Bolt Group Kit. Thank you for your attention to safety.
