

# AR-15 COMBAT GRADE BARRELS - 5.56MM NATO 10.5" COMBAT GRADE BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

## A Collection of Durable, Duty-Ready AR-15 Barrels

Sons of Liberty Gunworks makes some of the best combat-ready barrels on the market, and they're durable and versatile enough to run in a variety of configurations, especially suppressed or unsuppressed, without the need for an adjustable gas block. The company's Combat Grade AR-15 Barrels are duty ready and available in a variety of configurations for the AR-15 enthusiast or professional user. For those building or upgrading rifles chambered in 5.56 NATO, the SOLGW Combat Grade Barrel lineup can be had with a carbine-length gas system in 10.5- or 11.5-inch lengths. For those looking for a mid-length gas system, barrel lengths are available in 13.7-, 14.5- and 16-inch lengths. The Combat Grade barrel is also available in 300 BLK, which features a pistol-length gas system and an overall length of 9 inches.

# Safety Instruction Guide for AR15 Combat Grade Barrels 5.56MM NATO 10.5" Combat Grade Barrel

## Introduction

Thank you for choosing the AR15 Combat Grade Barrel from Sons of Liberty Gunworks. This safety instruction guide provides essential information to ensure safe handling, installation, and usage of your barrel. Please read this guide carefully to understand the safety precautions necessary for your product.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearms in your country or region before purchasing or using this product.
- Always handle firearms and firearm components with care and respect.
- Store the barrel and all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of damage or wear. Do not use a damaged barrel.
- Use only ammunition that is compatible with the barrel specifications. For this product, use 5.56mm NATO ammunition only.
- Follow all safety instructions provided by the firearm manufacturer when installing and using the barrel.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is pointed in a safe direction and the safety is engaged before installation.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you are inexperienced with firearms, seek training from a qualified instructor before use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing barrel according to the firearm manufacturer's instructions.
- Align the new barrel with the upper receiver, ensuring proper fit.
- Secure the barrel using the appropriate tools and follow the manufacturer's torque specifications.
- Check the alignment and ensure the gas block is properly positioned if applicable.

### 2. Usage

- After installation, conduct a function check to ensure the firearm operates correctly.
- When ready to fire, load the firearm with 5.56mm NATO ammunition.
- Always verify that the firearm is clear of obstructions before firing.
- Maintain proper shooting stance and grip on the firearm.
- After shooting, clean the barrel according to the manufacturer's recommendations to ensure longevity and performance.

## Disposal Instructions

- Dispose of the barrel and any related components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For inquiries related to safety concerns or product information, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15 Combat Grade Barrel. Always prioritize safety and seek assistance if you have any questions or concerns regarding the use of your product. Thank you for your attention to safety.
