

AR-15 COMBAT GRADE BARRELS - 5.56MM NATO 16" COMBAT GRADE BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

A Collection of Durable, Duty-Ready AR-15 Barrels

Sons of Liberty Gunworks makes some of the best combat-ready barrels on the market, and they're durable and versatile enough to run in a variety of configurations, especially suppressed or unsuppressed, without the need for an adjustable gas block. The company's Combat Grade AR-15 Barrels are duty ready and available in a variety of configurations for the AR-15 enthusiast or professional user. For those building or upgrading rifles chambered in 5.56 NATO, the SOLGW Combat Grade Barrel lineup can be had with a carbine-length gas system in 10.5- or 11.5-inch lengths. For those looking for a mid-length gas system, barrel lengths are available in 13.7-, 14.5- and 16-inch lengths. The Combat Grade barrel is also available in 300 BLK, which features a pistol-length gas system and an overall length of 9 inches.

Safety Instruction Guide for AR15 Combat Grade Barrels 5.56mm NATO 16" Combat Grade Barrel

Introduction

Thank you for choosing the AR15 Combat Grade Barrel manufactured by Sons of Liberty Gunworks. This guide provides essential safety instructions to ensure the safe use and handling of your firearm component. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the barrel is compatible with your AR15 platform.
- Always treat the barrel as if it is loaded, even when it is not.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Use only ammunition that is specified for this barrel (5.56mm NATO).
- Regularly inspect the barrel for signs of wear, damage, or corrosion.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when firing.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to modify the barrel or make alterations that could compromise safety.
- Avoid using the barrel in adverse weather conditions that could affect performance.
- If you experience any malfunctions or unusual behavior while using the barrel, cease use immediately and inspect for issues.
- Keep your hands and face clear of the muzzle when firing.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and the chamber is clear before beginning installation.
- Use appropriate tools to remove the existing barrel from your AR15.
- Align the new AR15 Combat Grade Barrel with the receiver and ensure proper fit.
- Securely tighten the barrel nut according to the manufacturer's specifications.
- Install the gas block and tube if applicable, ensuring proper alignment with the gas port.
- Reassemble any other components as per the manufacturer's instructions.

2. Usage

- Load your firearm only when ready to shoot.
- Follow the manufacturer's recommendations for cleaning and maintenance.
- After each use, clean the barrel to maintain optimal performance and longevity.
- Always check the gas system for proper operation before firing.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations concerning firearm components.
- If the barrel is damaged beyond repair, contact a licensed firearms dealer for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding safety or performance, please reach out to the manufacturer or a qualified firearms expert. Always ensure that you are following the latest safety guidelines and regulations.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Combat Grade Barrel. Thank you for your attention to safety, and happy shooting!
