## A Match-Ready Barreled Action Built Just for Brownells

Machined and finished by Area 419's talented engineering and manufacturing team, this line of Defiance Tenacity Barreled Actions are available only through Brownells! Starting with Defiance Machine's proven Tenacity rifle action, Area 419 finishes these actions with all of the custom touches that today's precision shooters want. Each Area 419 Tenacity Barreled Action features a receiver that's nitride-treated for hardness, low-friction and durability, and the receivers are matched with cut-rifled Bartlein 5R barrels. The barrels are guaranteed to provide accuracy of 1/2 MOA or less in the hands of a skilled shooter using quality ammunition. All of the final machining and fitting is done by Area 419's team, and the whole process starts with an axial indication of the bore, which is measured to the ten-thousandth of an inch. Chambers are cut to SAAMI minimum tolerances, ensuring that shooters have a tight, match chamber to maximize the gun's potential. Barrels are available in 6.5 Creedmoor, 6mm Creedmoor, 6.5 PRC, .300 Win. Mag. and .223 Rem. Barrels are available in 24-inch lengths and feature twist rates optimized for each caliber.

# DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" MARKSMAN BARRELED ACTION Safety Instruction Guide

## Introduction

Thank you for purchasing the DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" MARKSMAN BARRELED ACTION. This product has been designed and manufactured with a commitment to safety and performance. Please read this safety instruction guide carefully to ensure safe and effective use of your barreled action.

## General Safety Guidelines

To ensure the safety of yourself and others, please adhere to the following general safety guidelines:

- Always treat the barreled action as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the barreled action in a secure location, away from unauthorized access.
- Use appropriate safety gear, including eye and ear protection, when handling or shooting.
- Ensure that you are familiar with the local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your barreled action for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the DEFIANCE TENACITY BARRELED ACTIONS, please observe the following specific safety precautions:

- Only use ammunition that is compatible with the 6.5 Creedmoor caliber.
- Ensure that the barrel is free of obstructions before firing.
- Do not exceed the recommended load limits for your ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use the barreled action only for its intended purpose. Avoid modifications that could compromise safety.
- Keep your fingers away from the trigger until you are ready to shoot.

## Instructions for Installation and Usage

To ensure proper installation and usage of your barreled action, follow these instructions:

### 1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Follow the manufacturer's instructions for mounting the barreled action to the receiver.
- Use appropriate tools to secure the barreled action, ensuring that all screws and fasteners are tightened to the manufacturer's specifications.

### 2. Usage:

- Load ammunition into the magazine, ensuring it is seated properly.
- Chamber a round by pulling the bolt back and releasing it to allow the round to enter the chamber.
- Take aim at your target while maintaining control and focus.
- When ready to shoot, apply pressure to the trigger smoothly and steadily.

- After firing, ensure the firearm is pointed in a safe direction until you are ready to chamber another round or unload.

## **Disposal Instructions**

When disposing of your barreled action, please follow these guidelines:

- Do not dispose of the barreled action in regular waste.
- Contact your local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that all ammunition is safely disposed of according to local regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of your DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" MARKSMAN BARRELED ACTION, please consult your local firearms dealer or manufacturer's representative.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your DEFIANCE TENACITY BARRELED ACTIONS AREA 419 6.5 CREEDMOOR 24" MARKSMAN BARRELED ACTION. Always prioritize safety and responsible use, and remember to stay informed about best practices and local regulations. Thank you for your commitment to safety.
