[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

A Match-Ready Barreled Action Built Just for Brownells

Machined and finished by Area 419's talented engineering and manufacturing team, this line of Defiance Tenacity Barreled Actions are available only through Brownells! Starting with Defiance Machine's proven Tenacity rifle action, Area 419 finishes these actions with all of the custom touches that today's precision shooters want. Each Area 419 Tenacity Barreled Action features a receiver that's nitride-treated for hardness, low-friction and durability, and the receivers are matched with cut-rifled Bartlein 5R barrels. The barrels are guaranteed to provide accuracy of 1/2 MOA or less in the hands of a skilled shooter using quality ammunition. All of the final machining and fitting is done by Area 419's team, and the whole process starts with an axial indication of the bore, which is measured to the ten-thousandth of an inch. Chambers are cut to SAAMI minimum tolerances, ensuring that shooters have a tight, match chamber to maximize the gun's potential. Barrels are available in 6.5 Creedmoor, 6mm Creedmoor, 6.5 PRC, .300 Win. Mag. and .223 Rem. Barrels are available in 24-inch lengths and feature twist rates optimized for each caliber.

Safety Instruction Guide for DEFIANCE TENACITY BARRELED ACTIONS AREA 419 223 REMINGTON 24" MARKSMAN BARRELED ACTION, BLACK

Introduction

Thank you for choosing the DEFIANCE TENACITY BARRELED ACTIONS. This product has been designed with precision and safety in mind. This guide provides essential safety instructions and guidelines to ensure the safe use of your barreled action. Please read this document carefully and follow all instructions to maximize safety and performance.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that your workspace is free of obstructions and distractions.
- Store your barreled action and ammunition securely and out of reach of children.
- Use only highquality ammunition that is specifically designed for the .223 Remington caliber.
- Be aware of your surroundings and ensure that your shooting area is clear of people and animals.
- Regularly inspect your barreled action for any signs of damage or wear before use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential risks include accidental discharge, misfires, and improper handling.
 - Always check the chamber to ensure it is empty before cleaning or performing maintenance.
- **Avoiding Hazards:**
 - Never place your finger on the trigger until you are ready to shoot.
 - Do not attempt to modify or alter the barreled action in any way.
 - Always wear appropriate eye and ear protection while shooting.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a qualified adult when handling firearms.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that you are in a safe and secure environment before beginning installation.
 - Follow the manufacturer's instructions for attaching the barreled action to the stock.
 - Use tools as recommended by the manufacturer to avoid damaging components.
- **Usage:**
 - Familiarize yourself with the operation of the barreled action before use.
 - Always conduct a function check to ensure that the action operates correctly.
 - When ready to shoot, load the firearm only when you are in a safe shooting position.
 - After shooting, always unload the firearm and ensure it is clear before storing.

Disposal Instructions

- Dispose of any unused ammunition and firearm components in accordance with local regulations.
- Do not dispose of firearms or components in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the DEFIANCE TENACITY BARRELED ACTIONS, please consult your retailer or manufacturer for assistance. Always ensure that you are following the most current safety guidelines and regulations.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DEFIANCE TENACITY BARRELED ACTIONS. Thank you for your commitment to safety.
